VOL. 66 — CANYON, TEXAS — THURSDAY, DECEMBER 14, 1961 — NO. 36

First Step Taken For Added Paving

CANYON was a winter wonderland early this week as bitter cold followed close on the heels of a thin blanket of snow. Streets were slick and hazardous. Icy coats clung to trees and wires but no damage was reported as result of the weather.

First step in ultimately paving an additional 38 blocks of city streets was taken Monday night by the city commission.

City Manager Bill York said work should begin on the improvement by the time weather permits next spring.

In the first step toward paving, the commission instructed the city manager to prepare an ordinance of intent to pave.

York said the paving program will cost the city about $21,088 as compared to $20,000 spent on street improvement last year. The money will come from general revenues.

The city's portion of the project includes paving of intersections and the portion of streets lying between alley ways.

The project will include curbing, guttering, base and pavement of the blocks of street included.

No figures on cost to property holders have been released as yet. York said these figures will not be known exactly until competitive bids have been taken.

Some thirteen blocks on Ninth Avenue will be paved. This will tie all three Canyon Schools together with paved streets.

When the project is complete, Ninth will be paved from Eighth Street to Twenty-Third.

"Ninth Avenue is a must," declared one commissioner.

"We have a drainage problem on Ninth," declared York. "Paving may not solve it but it will help."

In other business, T. G. Hull, Jr., was appointed city attorney effective Dec. 1. Hull formerly was manager for Southwestern Public Service here.

He left the utility company to go back to school. He completed his work for a degree in law at the University of Texas and only recently moved back to Canyon with his family.

The commission Monday night also pondered the dog and cat problem, a knotty one which has bedeviled city dads since the formation of the first municipality.

York and the city attorney are in the process of preparing a city ordinance dealing with control of animals inside the city. Even reptiles have been included.

Next meeting of the commission will be held Jan. 8.

Kilgore Estate Presents Collection To Museum

The estate of Florence Lee and C. L. Kilgore has purchased the Laura V. Hamner collection and contributed it to the Panhandle Plains Historical Museum.

No value for the collection has been disclosed by museum officials but observers place the value at several figures.

The Kilgores were ranching people in the Moore County area. They left their fortune to a foundation to provide for charities and for educational institutions.

Among the many things the foundation has given to the Panhandle is a fine library at Dumas. The foundation has linked the Kilgore name to most of the worthwhile undertakings in the Panhandle area in recent years.

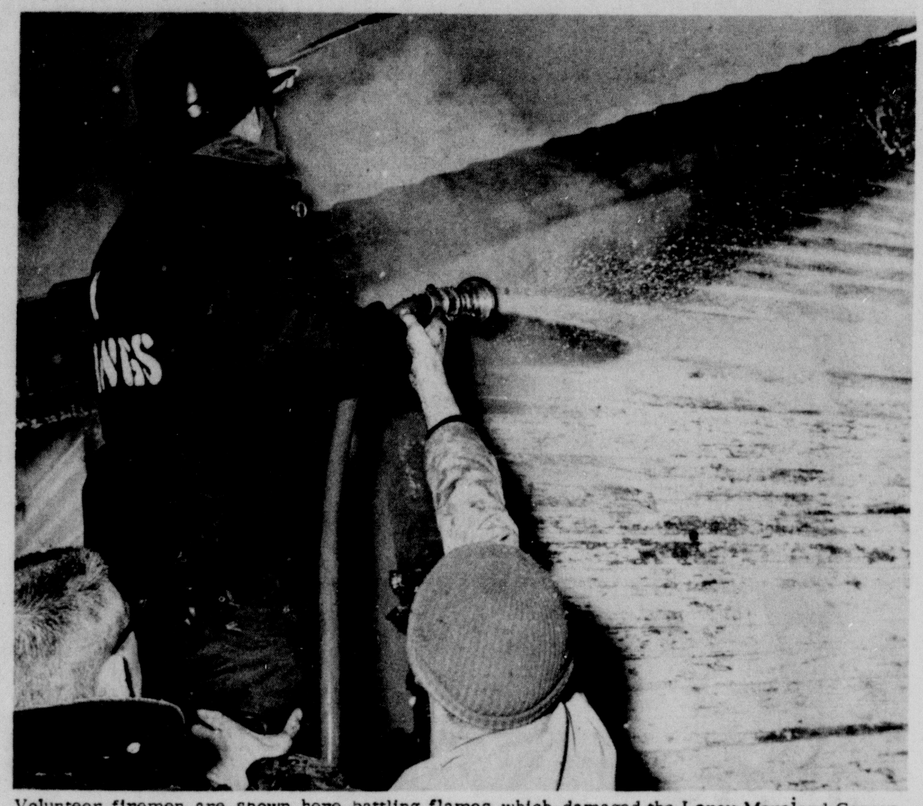

Miss Hamner's work spans most of the Twentieth Century. She has written articles about most of the towns in the Panhandle.

Her correspondence with pioneers and their descendants has been voluminous. Her program "Light and Hitch", a feature dealing with pioneer days, has been on the radio in this area for many years.

Her collection, now owned by the museum, includes original manuscripts and clippings of her work for newspapers. All this material is carefully indexed.

Miss Hamner is a former school teacher. She springs from a newspaper family. Her family operated the newspaper at Claude many years ago.

History of the Panhandle has been a life work for her.

Volunteer firemen are shown here battling flames which damaged the Leroy Moreland Garage Monday afternoon. Severe cold hampered fire fighters in their task. Extent of damage was not immediately known.

Republicans Open Canyon Office

Randall County Republicans opened the first party headquarters office in Canyon at least in recent years. Some residents say it is the first time the GOP has ever maintained an office here.

In charge of the office is Mrs. Betty Sterguel of Amarillo, secretary of the county organization. The office is located in the Samuelson Motor Company building on Fourth Avenue.

Mrs. Sterquel said the office will be open a week. If Canyon people want to keep it open after that, it's up to them, she declared.

John W. Kenehan, Jr., Amarillo, county chairman, said he hopes to be in the office every day for a week at some time during the day.

"It is just a hospitality house," said Mrs. Sterquel. "We want people to come by and get acquainted. We want to get their views."

Kenehan indicated that the Republican Party would make a strong bid in a campaign for some county offices here next year. He did not indicate what offices would be sought by representatives of the GOP.

"We're going to elect some people," he asserted with confidence.

Mrs. Sterquel said she hopes the GOP will be a rallying point for conservative thinking people. "We know there are a lot of conservative Democrats in Canyon," she said. She said she hopes conservatives will use the GOP here as a vehicle for making their wishes felt.

Kenehan expressed belief that the Republican Party in Texas represents conservatism in its best form.

Canyon Man Injured In Accident

Medford Abbott suffered a gash on the head and serious bruises Friday morning when the pickup truck he was driving hit an icy place on the Western Avenue overpass in Amarillo and overturned.

Abbott was thrown clear of the vehicle. It rolled once and then turned end over end, he reported.

He was hospitalized at St. Anthony's Hospital and then dismissed Saturday morning. The pickup truck was demolished, Abbott said.

Plea Made For Puppy

Bud Parker has an emergency message for the person who has a little back puppy which strayed or was taken from his home in the 1200 block of Sixth Avenue this week.

The puppy was to have been a birthday present for Becky Haley.

The little girl's parents were leaving the dog with its mother at the Parkers until weaning time. They had gone to the expense of having it vaccinated and giving it its shots.

Parker stressed that if the dog was stolen and the person who took it does not care to return it to the little girl, then at least they should remove the wire placed on the little dog's tail when it was bobbed. The wire could do serious injury and cause a great deal of pain to the puppy.

Garage Damaged By Fire Monday

Fire damaged a garage at the Leroy Moreland home at 705 Fourth Avenue Monday afternoon.

Volunteer firemen battled the blaze in near zero weather.

Extent of damage was not immediately known. Wiring is blamed for the fire.

A nearby dog house housed several puppies belonging to the Morelands. Firemen rescued them and took them into the Moreland home.

Moreland uses the garage for a workshop. It housed several power tools.

Attendants at Taylor-Evans Farm Store, north of the Moreland home, noticed smoke billowing from the garage and turned in the alarm.

To make matters worse, Mrs. Moreland suffered a gash on the head in a fall later Monday.

Committee For Needy Is Formed

To avoid confusion and to make sure the needy are taken care of at Christmas is the purpose of Canyon's newly organized Goodwill Committee.

This new committee is asking for the citizens of Canyon to assist in this program by going through this centralized organization. If anyone knows of a needy family they should contact Judge Wayland Angel and if they wish to contribute food, clothing, toys or money they should see Chamber of Commerce Secretary Roland Black.

Members of the Goodwill Committee are Judge Angel, representing the county; Tom Black, representing Chamber of Commerce; Rev. Newton Starnes, Canyon's Pastor Association; and Reeves Donnell, representing Umbarger.

OK Utility Moves For Overpass

Washington Street Overpass moved a step nearer realization this week as commissioners court authorized utility companies to alter their installations to make way for the improvement.

Involved are Pioneer Natural Gas Company, Southwestern Bell Telephone Company and Southwestern Public Service Company.

Pioneer Gas Company's holdings at the site are to be altered at a cost of about $10,600 Southwestern Public Service is scheduled to spend some $1,780 in moving utility poles and Southwestern Bell about $1052.46.

The court turned land for the overpass over to the state in formal action several weeks ago. Contract for the overpass is scheduled for letting Dec. 20.

In other business, the court voted to refund county taxes paid in error last year by Grace Baptist Church of Amarillo and sanctioned the purchase by Commissioner Clarence Beckman of a dump truck costing $650.

FINISHING TOUCHES are being added to a hat for the Jayce-ette's Nativity scene. Mrs. John Taulman and Mrs. John Carlile are two of the workers preparing for Canyon's first live Nativity scene.

Cops Probe 'Tow Sack' Slugging Mystery

Bill Russell told police Saturday night that a masked assailant slugged him, kidnapped him and then tried to cremate him alive in his own automobile.

To cap it off the 25-year-old West Texas State College ministerial student says he's ready to take a lie detector test any time to ease the minds of those who doubt his story.

Russell told officers he had just returned home from working a shift at Morrison's Shamrock Service Station when he heard a knock at the door.

He went to the door and was slugged by a man with a "tow sack over his head." He said he remembers sketchily riding over "bumpy roads", a fire in his car, and then stumbling home.

Russell is being treated for symptoms of concussion by a Canyon physician. He sports a "black and blue" ridge on the back of his head.

The attending physician said the injury was such that it might have been inflicted with a length of pipe.

District Attorney A.W. Lair found a Volkswagen belonging to Russell on fire on the VFW Road about a half mile from the apartment at 100 Eleventh Street where Russell makes his home.

Lair was returning to his home north of Canyon Saturday night when he happened upon the burning vehicle. He said the doors were locked at the time.

Lair notified authorities. Patrolman George Hinch was dispatched to the scene. He finally managed to open the doors and the fire was extinguished.

In the automobile was found an anti-freeze can containing about a quart of gasoline, according to officers. The interior of the car had been badly damaged by fire.

In the meantime, Keith Yeager, also employed at the Shamrock station, had gone to the Russell apartment to ask Russell to swap work shifts with him.

Officers said Yeager found the door to the apartment open, the key in the door and a key to the Volkswagen on the key chain with the house key.

Officers explained that the Volkswagen is locked with a key. However, Russell says there are three keys to his car. One was carried by his wife who was visiting relatives in Lubbock and he had the other two on his person when he was slugged. Russell declares that the third key still is missing.

Yeager was quoted by officers as saying Russell was in a stupor when he found him at the apartment. The young man was taken to Neblett Hospital by his employer.

There he was kept over night. He was reported to have inhaled fumes. His hair was singed.

Deputy Sheriff Calvin Costley said he examined Russell's head and was unable to find a mark on him to indicate that he had been slugged. However, Costley says he may have missed the injured place since the bump might not have been pronounced so soon after a slugging.

Morrison says he relieved Russell about 10 PM Saturday. The dispatcher at the sheriff's office called him about 11:05 to tell him of the incident. Morrison said Russell was in good spirits and nothing seemed amiss when he left the service station.

Russell said he bought some groceries on the way home. The slugging incident occurred shortly after his arrival at home, he said.

The alleged assailant appears to have vanished into thin air. Officers have reported no new clues in the case.

Russell says he has no enemies that he knows about. He is a Navy veteran who received an honorable discharge a little less than a year ago after about four years of service. His wife's family lives in Lubbock. He was married about two months ago.

Both Russell and his wife, also a student at WT, are active in affairs at the Baptist Student Center.

Tis A Time For Eggnog Hoisting

Some folks will go a long way for an eggnog at this time of year.

One night last week two men entered the B.C. Taylor service station on Hereford Highway and tried to buy some eggnog. They left when informed that the firm did not have any.

Minutes later the lights went on at the Sealtest storage facility nearby. Next morning it was discovered that locks had been smashed on a truck and the storage facility.

No eggnog was taken.

Jayce-ettes To Portray Christmas Scenes Here

For the first time, Canyon residents will have the opportunity to view a living picture depicting the Christmas season.

This was brought about by the Jayce-ettes who will sponsor a live Nativity scene Dec. 18 and 19 on the northeast corner of the square from 7 to 9 p.m.

Mrs. Chan Foster, chairman said members and their husbands and children will serve as models for the Nativity scene. She also said live sheep and donkeys will be used for the two-hour show.

The presentation will have a five minute break at eight o'clock for costume changes.

Adding to the occasion will be special background music and several local choirs will sing special numbers.

The Jayce-ettes hope to make this an annual affair and the group met last week in the home of Mrs. Wayne Wirt to complete costumes, which will be worn during the scene.

Participants in the scene will be Mr. and Mrs. John Taulman and daughter, Gwen; Mr. and Mrs. John Carlile; Mr. and Mrs. Wayne Wirt and Debbie and Vince; Mr. and Mrs. Charles Martin; Mr. and Mrs. Dick Foster; Mr. and Mrs. Chan Foster; Mr. and Mrs. Odell LaGrone and Mike; Mr. and Mrs. Allen Parson; Mr. and Mrs. Don Singleton; Mr. and Mrs. Richard Pruett; Mr. and Mrs. Charles Peckenpaugh; and Mr. Bob Wilkinson.

FROM THE CANYON RIM

By Troy Martin

We hope a goodly number will turn out to hear Tom Anderson when he speaks in Amarillo tonight.

We think Tom is a great American with a great heart. He's not right 100 percent of the time but he's a fighter and we believe that when he fights for something he thinks it's right.

We have enjoyed reading his "Straight Talk" in Farm & Ranch Magazine of which he is editor. Tom will be a visitor in Canyon during his stay in the area.

***

Betty Sterquel, keeper of the GOP headquarters here, says she thinks the Republican party will come to represent conservative thinking, at least in this area.

One of the great shortcomings of the GOP in the past is that it has tried to out-liberalize the liberals. "We'll do it better and give you more," has been their song nationally.

Betty thinks that conservative elements in the party may be able to remedy this characteristic which some think is killing the Republican Party.

***

Most folks, institutions and countries tend to rationalize so that they can justify anything THEY happen to be doing or what they agree with.

Take The Amarillo Globe-Times for instance. Only last September during the Lair controversy a reader would have drawn the conclusion that the publication would like to substitute kangaroo court type "public hearings" for the grand jury system.

This month that fine publication appears to have jumped right in the lap of a good old Amarillo grand jury that agrees with its views on the Gann episode with the Amarillo police department.

We believe in the grand jury system in Amarillo and we believe in it in Randall County.

***

We're reminded of a small boy who went screaming to his mother.

"Jimmy hit me with a big ole rock," he declared with feeling.

"And what did you hit him with?" asked mother.

"The same little bitty ole rock he hit me with," the small boy replied.

***

We expected to hear from Senator Grady Hazlewood this week on his possible candidacy for re-election. So far, we haven't heard. Possibly Mr. Hazlewood will have an announcement ready by next week's paper.

We now have reason to believe that the Senator will stand for re-election. The state political situation is in a muddle following the announcement by Navy Secretary Connally that he is a candidate for governor.

Connally will have the backing of his political God-father, Lyndon B. Johnson. That is almost an absolute cinch.

Wonder how twice double crossed Price Daniel and Will Wilson feel now. No, we know how Wilson feels. He made that pretty clear when he snorted about Johnson trying to hold two public offices at the same time.

Well, it might be remembered that Wilson was all for legislation last year which would and did permit LBJ to RUN for two offices at the same time.

Will Wilson has consigned himself to political limbo.

Reynolds Heads Sheriff's Posse

Earl Reynolds has been elected president of the Randall County Sheriff's Posse. He succeeds R.B. Allen in that post.

Other officers named include Jack Walker, vice-president; Clark Jarnagin, secretary-treasurer; J.A. Edwards, parade marshall and John Hardaway, director of junior deputies.

Death Takes Ed Williams

Edgar "Ed" Williams died Tuesday afternoon at 4:30 o'clock in Amarillo Osteopathic Hospital.

Mr. Williams had lived in Canyon since 1921. The family home is at 1106 Fifth Avenue. Mr. Williams had been associated with Imperial Chevrolet here since 1927.

Mr. Williams was born Dec. 10, 1899 in West Virginia. He was married Oct. 29, 1939 to Miss Hazel Wineinger.

Mr. Williams was 62 years old at the time of his death.

He was a member of Lubbock Bible Church, the National Automobile Dealers Association, the Texas Automobile Dealers Association and the Canyon Lions Club.

He managed Wineinger Dairy Farm from 1922 until 1936.

Funeral arrangements are pending at LaGrone Funeral Home.

Survivors include the wife; a daughter, Grace of the home address; and a half-brother, Guy Tyrrell of Downey, Cal.

Famed X-15 At Dalhart

The full-scale model of the X-15 experimental air vehicle will be publicly displayed at Dalhart, Texas on December 16th & 17th (Saturday and Sunday).

The X-15 designed to carry man higher and faster than ever before, has a speed of approximately 4,000 miles per hour and is expected to attain an altitude of more than 100 miles.

It will be used to obtain research information on air vehicle control in hypersonic, extreme altitude travel, as well as data on leaving and reentering the earth's atmosphere, weightlessness, and psychological and physiological human reactions to these elements. The Dalhart display is sponsored by the USAF Recruiting Service in cooperation with the Dalhart Jaycees.

Mr. and Mrs. Tom C. Gooch, Jr., and sons, David, Walter, and Ed Colwell, were in Canyon several days last week to visit in the home of his parents, Mr. and Mrs. T.C. Gooch, Sr., and with her sister, Mrs. W.B. Davis, and her family

Hilltop Views

BY DR. J. A. HILL

Now that the regular football season is closed and the basketball season is opening a few statements about athletics at West Texas State seem timely.

Contrary to the great body of public opinion and considering all the adverse conditions that confronted the college most of its life the record of athletics is quite creditable. The following is submitted in evidence:

The Buffaloes competed for 10 seasons in the Texas Intercollegiate Athletic Association, which was composed of most all major colleges in the state except Southwest Conference teams. During that time 7 official basketball championships were awarded and West Texas State won 5 of them. During that time the following Buffaloes were placed on the All-Conference first team: Cletus Crump, Davis Hill, Delbert Lowes, Pat Gerald, Joe Fortenberry, Edwin Comer, George Ray Colvin, and Otis Burke. Some of these were so placed twice each.

In the Alamo Conference two seasons, the Buffaloes won 1 championship in football and tied for another. In basketball they won 2 championships.

In basketball with Southwest Conference teams the Buffaloes have won 11 of 21 games and scored a total of 981 points to 930 for opponents. They have played every team in the SWC.

In the Border Conference in football (1941-1957)* the Buffaloes played 84 games, won 39, tied 1, and lost 44. They made 1644 points to 1568 points by opponents.

In Border basketball the Buffs played 209 games, won 135, lost 74 and scored 13,071 points to 11,402 for opponents.

In basketball games with Tech to and including 1957 the Buffs won 55 of 79 games and scored 3823 points to 3375 points by Tech.

Playing 22 games of football mostly on Tech's field the Buffs won six and made a total of 257 points to Tech's 476.

Including 1957 Buffs played 30 football games with Hardin-Simmons, winning only 6 and losing 24. 307 points to 638 for H-S.

In basketball in the same period 75 games were played with the Abilene school, of which the Buffs won 55, with 3809 points to 2845 for the Cowboys.

In the all-time football record of West Texas State through 1957, 394 games were played, in which 201 were won and 10 were tied.

In all-time basketball through 1957, 868 games were played, 609 were won, and the Buffs scored 42,831 points to 34,775 by all opponents combined.

The one Buffalo team that has gained the widest acclaim was the Basketball squad of 1942 which Al Baggett twice led to Madison Square Garden where they played before capacity crowds at $4.40 per ticket. This team was featured in Time, Life, Look, Colliers, and Esquire magazines and in hundreds of dailies. Paramount carried a movie of the squad to all parts of the nation. On that trip they beat New York State at Buffalo 105 to 41 and lost by 2 points in the last 10 seconds of an overtime game with Long Island University.

As to individual stars at W.T., there has been a whole galaxy of them. Among them was Odus Mitchell of the Class of 1925 who left the campus with 18 athletics letters. He was perhaps the most versatile of all our athletes. In four sports he was outstanding. He is now head football coach at North Texas State University.

Joe Fortenberry, whom Coach Burton asserted was the most powerful man he ever coached, starred in both football and basketball. I saw him walk 10 yards to cross the goal line, dragging a tackler on each leg. After leaving college he played professional basketball, became Captain of the All-American team that won the World Olympics in Berlin, and was high-point man on the floor.

In 1941 Price Brookfield of Friona, at the national basketball tournament, was given a unanimous vote for All-American and made Captain of the All-American team. In 1939-42 he made a total of 1649 points. His single season record was 520, and his single game record was 44 points at Las Cruces against the N. M. Aggies.

Also, in 1941 Ben Collins, football back and fourth highest scorer in the nation, made 132 points to 107 by all the Buffaloes' opponents combined, and gained 1514 yards.

In 1949 Coach W. A. (Gus) Miller, a former W. T. athlete was elected president of the National Association of Intercollegiate basketball and more recently has been named to Helm's Hall of Fame.

In 1950 Bill Gross and Wire Wright broke the rushing record of Army's Don Blanchard and Glenn Davis by piling up a combined total of 2452 yards.

In that same year Bill Cross the "Canadian Comet", shot across the athletics heavens like a major star and has since been named to Helm's Hall of Fame.

In 1956 James Scott set a new national record among colleges and universities when he made 89.5 per cent of his basketball shots from the free throw line.

Though beyond the period here reviewed it can be safely said that if Pete Pedro continues his sizzling goal-bound performances for two more years he will put another star in the athletics firmament at W. T. and the Buffaloes under Joe Kerbel and Metz LaFollette will rise to yet greater heights.

I regret that limitations in space forbid any mention of the record in tennis, track, boxing, wrestling, and other minor sports, in which areas there is plenty to brag about. But if the above recital of facts does not make your heart swell with pride you are simply incapable of becoming a Buffalo fan anyway. And that's that!

Hinders Talks At Lions Club

Milk is an important part of Randall County's economy, Louis Hinders, official of the area, state and national dairy associations, told members of Canyon Lions Club last week.

Hinders spoke of some of the goals of the dairy industry.

He pointed out that milk is an important food and said that dairy foods have been processed in such a manner as to be acceptable as dietary foods.

Hinders told the Lions Club that the dairy industry is engaged in a public relations program designed to help members of the industry and towns people understand each other better.

Hinders was accompanied to the meeting by Cristler Crain, another Randall County dairyman.

One Is Fined On DWI Charge

Gilbert David Frazier Tuesday entered a plea of guilty to charges of driving while intoxicated.

He was arraigned in the county court of Judge Wayland Angel and assessed a fine of $100 and sentenced to three days in jail.

Baby It's Blue Cold!

And the barbed wire fence came down!

The temperature dropped to a minus three degrees here about 6 o'clock Tuesday morning for an all-time low record for Dec. 12. This information came from the US Weather Bureau.

The weatherman said more light snow is expected this week.

There was a light blanket of snow on the ground following flurries Monday. Some icing was reported but no damage to utility wires has been noted.

Streets were slick but officers blame no serious accidents on the weather. Officers said a few mishaps of the "fender bending" variety were encountered Monday.

WT Concert Set Sunday

The annual West Texas State College Band Christmas Concert will be held at 3 o'clock next Sunday afternoon in the Fine Arts Building on the College Campus.

EAGLETTES will play in the Tulia Tournament this weekend in their third tourney of the year. From left to right on the first row are Cynthia Gerald, Nancy Purcell, Karen Brewster, Bonnie Whittington, Ruth Purcell, and Kaydean Barnard. Second row are Linda Huyck, Barbara Erwin, Carol Brown, Lee Ruth Wiggins, Lynda Troth, Linda Gazzaway and Kathy Hinger. Vicki Weaver was absent when the picture was made.

Canyon Eagles Beat Panhandle 68-30

With fire in their eyes when they went on the court, the Eagles retaliated against the Panhandle Panthers 68-30 to revenge for an earlier 50-48 overtime loss.

In the game played at Panhandle Tuesday night the Canyon quintet slowly, but methodically cut the Panthers to ribbons. The score was 14-9, 34-13 and 48-17 at the end of the first, second and third quarters.

The Eagles had a hard time starting, getting only a five point lead; but they pulled out their roadmaps and began to find the solution to scoring. They also found out how to stop the Panthers from scoring, giving up only four points in each of the second and third periods.

While the Eagles were playing good defense, they racked up 20 points the second quarter. Warren Rutherford made 12 points this quarter, all of them by rushing back downcourt when the Eagles got the basketball. The ball was passed to him and he zeroed in on the basket with shots from the side.

Coach Simpson's charges played such good defense, the Panthers were held to 19 points until the second team came in during the last period. The second team made ten points while the Panthers pushed 11 points through the baskets during this period of time. Until the second squad went into the game, the Panhandle five were held to 19 points.

Warren was top scorer for the game with 22 points, all of them coming from field goals. The Eagles hit 44% of their field goal attempts and 33% of their free throws.

Bob Begert and Ronny Harris each had 14 points to tie for second high in the scoring department.

B Team Wins Third Game

Canyon's "B" team had to come from behind during the first half to beat Boy's Ranch varsity squad Tuesday night 41-33. The Canyon five was trailing 8-6 at the end of the first quarter and tied the score 14-14 at the end of the half.

During the third quarter the hometown quintet got a five point vantage 30-25 and then added another 11 points to their opponents eight during the last period.

Bobby Evans was high pointman with 14, six field goals and two free throws. Eddie Poole made five field goals and one free throw for 11 points.

This win gave the "B" team a 3-2 record and they will face Borger's "B" team in a test tonight at 6:30 at the local high school gymnasium. Tuesday night they will host the Hereford team, which they beat earlier in the season 49-42.

Mrs. Stanley Schaeffer and children of Dimmitt, were in Canyon Saturday to visit with her mother, Mrs. Lillian Gressett and with Mr. and Mrs. George Schaeffer.

Recent visitors in the home of Mr. and Mrs. Edel Money and Tammy have been Mrs. Money's parents, Mr. and Mrs. Phil Jones, and Mr. and Mrs. Isaac Jaekel, all of Alva, Oklahoma.

Freshman Team Whips B Squad

Canyon's freshman basketball team won their fifth game Tuesday night defeating the Boy's Ranch "B" team 34-24. This makes their record 5-2 and the ninth graders will have a tough time with Stanton junior high of Hereford when they meet this squad in Hereford Dec. 18 at 7 p.m.

In the Boy's Ranch game, Alex deSchweinitz was high point man of the game with 12 tallies, five field goals and two free throws, while George Cox and Wayne Colling racked up seven points apiece.

Canyon took the lead at the first quarter 9-5 and expanded this lead to 21-9 at halftime. The score was in favor of Canyon 32-16 at the end of the third stanza.

Mrs. W.L. Lockhart of Arlington, Virginia, is visiting in the home of her mother, Mrs. T.V. Slack, and in the homes of her sisters, Mrs. Clarence Eugene Thompson and Mrs. Hershel Coffee. Lieut. Col. Lockhart is expected to join his wife here Thursday for a visit.

CHS Lassies Win 5th Game

Coach Allen Simpson's Eaglettes chalked up victory number five Tuesday night against the Panhandle girl's team to even the record between the two teams. The Eaglettes won Tuesday 29-24 and revenged their earlier loss to this team 33-26.

Kathy Hinger was top scorer for the game with 14 points and Lee Ruth Wiggins was runner-up in the scoring department with eight points.

Canyon's lassies took a two-point first quarter lead 10-8 and during the second period both teams couldn't hit, scoring only five points. Canyon lead 13-10 at halftime.

During the last two quarters, the CHS girls scored eight points in each period, giving them a third period lead of 21-19.

They will play in the Tulia Tournament this weekend and will challenge Nazareth Tuesday night at 8 p.m. there.

FRESHMAN GIRL'S basketball team will play at Nazareth Monday night in their fifth appearance this year. Front row from left to right are Cindy Taylor, Andy Lair, Lee Ann Kelly, Terri Doyle, Kathy Allen and Judy Brazil. Back row are Jan Jarnagin, Jill Jarnagin, Sharon Ruthart, Beth Jarrett, Mary Lou Johnson and Lynda Hughes.

Choosing the Log

Because they believed that the Christ Child had been washed and dressed at Bethlehem beside an ash wood fire, early English people always had Yule logs of ash wood. The log was kept burning during the 12 days of Christmas.

Oak, pine, olive were Yule log sources in other European countries. In Scotland, the choice was birch.

Clearing the Way

To St. Nicholas, a bishop of the early Christian church, goes credit for the custom of holiday giving to children.

Housewives in Northern Europe, who had their chimneys cleaned for better heating during the Yule season, told children the work was done to clear the way for St. Nicholas to come down the chimney with gifts for them.

Open House Set For Don's

Open house will be held Friday at Don's Restaurant on Highway 87 in Canyon.

The new restaurant will be operated by Mr. and Mrs. Don Cloward, who have spent most of their adult lives in the restaurant business.

The Clowards are natives of Utah. They were married in 1936 and opened their first business in Payson, Utah in July of that year.

They remained in business there for nine years and then moved to Idaho Falls, Idaho to open "Don's Tower" there. They returned to Payson in 1949 and remained there until 1952 when they moved to Canyon and purchased "Bill Hall's Restaurant" located where the Humble service station now stands.

They have operated cafes in three other Canyon locations. Their present location formerly was occupied by the Steakhouse which burned last summer.

The Clowards rebuilt and remodeled the building and opened Don's Restaurant in November of this year. Seating capacity of the restaurant is 144. There is a private dining room called the "Buffalo Room" for civic groups and parties.

Mrs. Cloward is a talented painter. All the paintings hanging in the restaurant are her personal work. She recently won second place in a national art show.

She attends art classes under instruction of Louis Neugebauer at Amarillo. He is a world famous artist. She maintains a private studio here.

Mrs. Cloward says Don's work is his hobby and he enjoys cooking while off duty. The family lives at 1908 Fourth Avenue.

They have one son, Don H., who is in the service, and two daughters, Betty Jo Cloward Shelton of Hereford and Peggie Don Cloward Jones of Canyon.

Members of the staff are Fred Gaines, Sylvan Hathaway, Canyon, Peggie Don Cloward Jones, of Canyon, Betty Jo Cloward Shelton, Hereford, Marie Brown, Barbara Alexander, Pat Howell, Jerry Lynn Buttrill and Kay Fain.

Music Majors Give Recitals

Four senior music education majors will present their senior recitals next week. These recitals are presented in partial fulfillment of the requirement for the bachelor of music education degree.

Harris Brinson, DeLeon, and Vick Kyler, Borger, will present their recitals Monday at 4 p.m. Brinson will play a trumpet and will be accompanied by Dorothy Brinson, McLean senior. Tyler will play an euphonium. Marihoward Apel, a Pahnahdle junior, will be Tyler's accompanist.

Tuesday at 4 p.m., Becky Finnicum of Phillips and Kenneth Taylor of Pampa will present their recitals, playing the saxophone and trumpet respectively. Accompanist will be Elva Siburt, Midland; Marihoward Apel and Betty Lou Taylor.

Novel Ornaments Adorn Far Lands

It is customary among the Czechs and Slovaks, say the editors of The Encyclopedia Americana, to break a branch off a cherry tree at the beginning of Advent, place it in a pot of water in the kitchen and keep it in the warm air. The twig is then supposed to burst into blossom at Christmas time and make a festive decoration.

WT Faculty Members On Program

Three members of the West Texas State College faculty will be featured on the program at a meeting of Physics teachers and those interested in the field of physics at the Science Building at Amarillo College Saturday.

They are Mrs. Nell Findley, William R. Wilson and Sam Urban.

Topic of the day will be Physical Science Study Committee, a group whose goal is the improvement of the high school physics curriculum. Some 125 to 150 physics teachers are expected.

The meeting will get under way at 10 o'clock. The group will lunch at the Colonial Cafeteria at noon.

Highlight of the all-day meeting will be a speech by Paul Scheie of Oklahoma City.

Norway Prepares

In Norway preparations for Christmas traditionally start six months before December 24. The Christmas celebration itself lasts three weeks. The period, according to Book of Knowledge researchers, is known as the Julafred, or the Peace of Christmas.

Famed Editor To Visit Here

Tom Anderson, editor of Farm & Ranch Magazine, will be a house guest of Evetts Haley this week as he arrives here for a speaking engagement in Amarillo.

The famed crusading editor will speak at 8 o'clock Thursday night (tonight) at Amarillo's Municipal Auditorium.

Anderson writes Straight Talk, a conservative column, in Farm & Ranch.

Anderson pulls no punches, either in his column or from the speaker's rostrum.

"To Tom right is right and wrong is wrong and any compromise between the two is cowardice," wrote Jack Kestner in The American Mercury recently.

A number of Canyon people will hear Anderson speak tonight.

AMONG THE UNUSUAL decorations of the Christmas season is the large evergreen tree which is located at the home of Mr. and Mrs. Dick Ziegler, 1001 Fifth Avenue. Dick describes the ornaments as "what we ate out of all last year." Mrs. Ziegler says that it did take several months to collect enough tin can tops and bottoms, of varying sizes, to adorn the tree. The tops glitter in the sunlight, and at night a spot light is directed on the tree. Also shown is a close-up of the ornaments revealing their true origin.

WT Professor Earns Ed. D.

Dan Selakovich, assistant professor of social studies, has successfully completed the requirements for the doctorate of education degree.

He passed oral examinations Monday at the University of Colorado. He had completed work on his thesis earlier, which was titled "The Technique of Certain Pressure Groups In The Teaching of American Government and History In High Schools From 1940 to 1960."

Mr. Selakovich will receive his degree in June at the commencement exercises of the University of Colorado. Mr. Selakovich holds an AB degree from Western State College of Colorado and an MA degree from State College of Washington, where he was awarded a teaching fellowship.

Theatre in England began with Christmas plays. The first British comedy was written for a Yule celebration, and the earliest tragedy, "Gorbuduc," was performed at Christmas, 1561.

A LAW AGAINST IT

In Massachusetts, Christmas didn't become a lawful holiday until 1856. The Pilgrims in New England had disapproved of Christmas celebrations, and a law prohibiting them was passed in 1659.

Yule Riddle Links Santa, Pawnshops

What is the connection between Santa Claus, the custom of hanging up Christmas stockings, and a pawnbroker's sign of three gold-colored balls?

A Scrooge might say that the answer to the Yuletide riddle is that Santa Claus would need help from a pawnbroker, to pay for filling all the stockings — but Scrooge would be wrong.

Both Christmas stockings and pawnbrokers' signs are traditions that come from legends about the first "Santa Claus" — St. Nicholas, bishop of Myra, in Asia Minor — according to the Encyclopedia Americana.

This early Santa was known far and wide for his generosity. And, so the story goes, he wanted to help a merchant who had lost all his money and had no way to provide dowries for the marriages of his three daughters.

Like Santa today, St. Nicholas wanted to be a generous but secret giver. When the oldest daughter was old enough to marry, he went at night to the merchant's house, with a bag of gold.

Some legends say he threw it through the window, and others that he threw it down the chimney. At any rate, the oldest daughter had her dowry and was able to marry.

St. Nicholas repeated the process for the second, and then the third, daughter. The third time, the merchant watched to see who brought the gold and told the story of the good saint's generosity.

According to legend, one bag of gold fell into a stocking hung up by the chimney to dry, and thus began the custom of hanging up stockings to be filled with gifts.

Pictures of the saint show him with the three bags of gold.

Bankers in Northern Italy took him as their patron and used the sign of three gold balls. Because bankers lent money, the sign later became associated with pawnbrokers, and today this custom still continues.

Glow Like Stars

In Switzerland, Christmas Day, or Weihnachten, is the traditional opening day of the winter sports season. A colorful sight on Christmas is the fires which are burned on the peaks of the Alps. Like flaming stars, they hang in the dark heavens during Holy Night.

GUARDIAN OF THE GATES is played by Gary Tydings of Hobbs, and the Good Witch of the North is played by Lydia Miller of Midland, in the Alpha Psi Omega production of "The Wizard of Oz." The musical will be presented Thursday and Friday at 8:15 p.m., and Saturday at 2 p.m. in the Branding Iron Theatre at West Texas State College.

Wizard of Oz Play Set Tonight

Opening performance of the musical, "The Wizard of Oz," will be Thursday at 8:15 p.m. in the Branding Iron Theatre at West Texas State College. The show is being presented by members of Alpha Psi Omega, national dramatics fraternity at WT.

Because of recent interest in "The Wizard of Oz," through reissue of the movie over television, the three public performances of the show, Thursday, Friday at 8:15 p.m., and Saturday, at 2 p.m. matinee only, are expected to attract good audiences.

A large cast of WT college students, assisted by a number of Canyon children, has been assembled for the pre-Christmas show of the fraternity. Co-directors are Gary Wyatt of Dimmitt, Barsha Fowler of Dalhart, and Dwayne Smith of Pampa.

Admission will be $1.00 for adults, 75 cents for junior and senior high school students, and 50 cents for children. William A. Moore, director of the BIT, will supervise the show.

Appearing as Dorothy will be Mary Kay Panciera, freshman from Hereford. Her three friends of Oz, the scarecrow, tinman, and cowardly lion, are played by Wilson Evans of Friona, Stan Joy of Abernathy, and Gary Wertenberger of Hereford. The Wizard is played by Bob Finnicum of Erie, Ill., and the Good Witch of the North is portrayed by Lydia Miller of Midland.

Others in main roles are Gary Tydings of Hobbs, Henry Werner of Galveston, Pat Buzzard of Amarillo, and Kathy Wylie of Dallas.

Winners To Be Named At WT Beauty Dance

West Texas State College's "Most Beautiful" coed and "Most Handsome" man will be selected in judging this week and will be presented Saturday night at the annual Beauty Dance, first formal dance of the year.

Ten men and ten women were selected Tuesday as finalists for a reappearance before judges Thursday in the Ballroom of the Student Union Building. At the final event Thursday, judges will select the "Most Beautiful" and "Most Handsome" and four runners-up in each category.

FINALIST NAMED

Ten men and ten women were picked Tuesday for final judging Thursday afternoon. The top five couples will be presented to the dance Saturday night.

The ten finalist for most beautiful include Marlene Waggner, Betty Ann Troutman, Roxiann Adkins, Patsy Martin, Carnetta Burgett, Linda Campbell, Wanda Lawrence, Judy Lee, Sally Jennings and Nancy Mueller.

Most handsome finalist are Jerry Conner, Doug Corley, Tom Hamilton, Stewart Johnson, Jimmy Holmes, Don Blythe, Bill Rogers, Robert Ingle, Ronald Mangum and Wilford Taylor.

* * *

The winners will be presented by the Inter-Fraternity Council at the ball, at which "The Fayroes" will play. Admission will be 50 cents a person. The dance, for which "semi-formal" dress is required, will start at 8 p.m. in the Ballroom.

First round candidates for "Most Beautiful" included Alice Maldanado of Rotan, Sue Wilson of Wellington, Marlene Wagner of Perryton, Imogene Davis of Phillips, Betty Ann Troutman of Dumas, Kay Huntsman of Hale Center, Linda Sue Smith of Hereford, Eleane Baxter of Lockney, Roxiann Adkins of Crowell, Nona Haney of Roscoe, Myra Rankin of Eudora, Ark., Linda Collins of Memphis, Lera Kate Hutcherson of Memphis, Patsy Martin of Amarillo.

Rita Welty of Amarillo, Carnetta Burgett of Shallowater, Karen Beth Guerry of Andrews, Linda Campbell of Lakeview, Charlene Brown of Dallas, Glenda Green of Stratford, Wanda Lawrence of Plainview, Judy Lee of Alamogordo, N.M., Dot Haynes of Littlefield, Dorothy Brinson of McLean, Terri Childers of Dalhart.

Linda Kay Murray of Midland, Georgia Mandis of Amarillo, Nancy Ross of Amarillo, Ann Elam of Ralls, Gayle Bright of Dumas, Sally Jennings of Canyon, Harriet Huff of Lubbock, Carole Poole of Texline, Jayne Woodard of Midland, and Nancy Mueller of Sundown.

Candidates for "Most Handsome" included Roy Miers of Dumas, John Seaman of Stratford, Larry D. Rogers of Plainview, Lloyd Triplett of Claude, Johnny Garrison of Phillips, Doug Roark of Quanah, Jerry Conner of Dalhart, Lewis Jones of Haskell, Doug Corley of Slaton, Tom Hamilton of Seminole.

Jerry Watson of Lefors, Stewart Johnson of Perryton, Gene Stephens of Earth, Jimmy Holmes of Shamrock, Don Blythe of Amarillo, Bill Rogers of Kilgore, Dennis Smith of San Antonio, Jim McLain of Spearman, Larry Irby of Floydada, Jimmie Janes of Sundown, Robert Ingle of Texhoma, Ronald Mangum of Slaton, and Perry Hoyler of Dimmitt.

Mr. and Mrs. Tommy Triplett of Claude were Saturday evening visitors of the Arvin Triplett family.

Yule Ends in Safe Blaze

Christmas can come to an end in a blaze of glory — and a safe one, too. Custom sets a date for the disposal of the tree by burning. It's January 6, the Twelfth Night of Christmas, or Epiphany — traditionally the night when the Three Wise Men, or Magi, made their visit to the Christ Child in Bethlehem.

The modern world, reviving the Twelfth Night custom of bonfires for disposing of the tree and other greenery, combines the safety factor with community spirit and fun.

Twelfth Night celebrations are planned in many communities in public parks for neighborhood groups. It's a great night for the kids and their parents.

Children bring the trees to the park, or the town collects them. On Twelfth Night everyone gathers around the bonfire of trees and greenery to sing carols.

Gail Cox Wins Science Award

Gail Cox, senior student at Canyon High School, was honored this week with the announcement he will be the recipient of the Bausch & Lomb Honorary Science Award Medal. He will receive this medal upon graduation.

This honor enables Gail to compete for the Science Scholarships awarded by

GAIL COX

Bausch & Lomb which will total for a four-year value of $21,600. This company will furnish three or more scholarships based upon the student's need.

During the 18 years of this scholarship aid program, Bausch & Lomb has awarded 67 scholarships at the University of Rochester and awarded other scholarships of comparable value to 102 runner-up contestants.

Thirty of the most promising Honorary Science Award Medals are selected as finalist and late in February are invited to Rochester for three days with all expenses paid. They will be interviewed and take competitive tests to determine the scholarship winners.

Redwood Is U. S. Tree

When Christ was born in Bethlehem, the giant redwood tree that is now the U. S. National Christmas Tree had already been growing for 2,000 years.

Located in King's Canyon National Park, Calif., the tree is a "Sequoia gigantea" — a coniferous, evergreen tree — and its age is estimated, from its annual rings of growth, at 4,000 years. Its majestic redwood trunk rises 267 feet.

The U. S. Department of the Interior officially designated this redwood as the National Christmas Tree on April 28, 1926. Earlier, it had been named the General Grant Tree, for the 18th President.

In December, Christmas services are held annually at the base of the tree, climaxing a month-long Christmas Festival celebration by the citizens of Sanger and neighboring communities of Fresno County, Calif. Members of the National Park Service place a wreath at the base of the tree.

Home Demonstration Members Have Annual Christmas Tea

MRS. EARL REYNOLDS presents a perfect attendance pin to Mrs. Aaron Cummins at the Annual Christmas party for home demonstration club members held Monday afternoon. Others to receive the pins are Mrs. Earl Burtz, Mrs. Z. J. Fairchild and Mrs. C. W. Frye.

Mrs. Cristler Crain reviewed the book, "The Saintmaker's Christmas Eve", by Horgan, when Home Demonstration Club members observed their annual county-wide Christmas tea Monday afternoon in the Junior Livestock Building. Mrs. Lewis Tucek related, "The Tired Homemaker", giving the activities of the housewife the week before Christmas.

Mrs. R.A. Hodges, Council president, led the group in the singing of Christmas carols.

Perfect attendance pins were presented to Mesdames Aaron Cummins, C.W. Frye, Z.J. Fairchild, O.O. Henry, D.L. Allison and Earl Burtz. Three other members, Mesdames Earl Reynolds, Hodges and Tucek, had previously received the pins.

Council officers and Mrs. Mona Hildreth, Home Demonstration agent, were given Christmas gifts from the organization.

During the recreation hour, Mrs. Tucek directed Christmas games.

Refreshments were served from the table which was covered with net over a taffeta cloth of changeable colors. Centering the table was an unusual filigree church. The snowy white church was made of sugar frosting with lattice work. Angels encircled the church, with frosting trees at each corner.

Mrs. Hodges presided at the silver service, and gift wrapped match boxes were presented to the guests as favors.

Chi Upsilon Hears Speaker at Program on Wednesday Night

Chi Upsilon, Canyon Chapter of Beta Sigma Phi, met Wednesday night in the Girl Scout House to hear Con Meier as guest speaker. He discussed the topic, "Let's Talk on Radio and Television". Mrs. Jack Berry, president, conducted the business session.

CON MEIER

The speaker, originally from New York City, is a creative writer, and is currently employed by McCormick Advertising Company in Amarillo. He demonstrated through the use of recordings, the proper way of talking before the public. He also played recordings of actual "Bloopers" made by professionals and amateurs on radio programs and commercials.

Meier attended the University of Missouri School of Journalism and Vanderbuilt University, Nashville, Tenn. He is a member of Kappa Sigma Fraternity and the Toastmasters Club 1857, Amarillo. The chapter presented a gift of appreciation to him after the program.

After refreshments were served by the hostesses, Mrs. Charles Peckinpaugh and Mrs. Joe Abbot, the members exchanged gifts. The club presented gifts to the sponsor, Mrs. Charles Nester, and member advisor, Mrs. Bob Brotherton.

Following the Christmas party, the members surprised Mrs. Berry with a baby shower. Later, Bridge was enjoyed during the recreation hour.

Members present were Mesdames Abbott, Berry, Larry Black, Jim Christopher, Elmer Clement, Gene Golson, Richard Henson, Jerry Johnigan, Wayne Moore, Clifton Newberry, Peckinpaugh, Allen Simpson, Brotherton, Nester and Miss Betty Sue Patterson.

Pledge members attending were Mesdames Troy Jordan, Ben Wade, Roy Francis, Bob Henry, Phil Magness, Bill Mayfield and Miss Virginia Rossiter.

Mrs. Leonard Winters was hostess to members of the Palo Duro Mother-in-law Club for their annual Christmas party when they met in her home Friday afternoon. Mrs. George Barker served as co-hostess.

After a program of Christmas Carols and appropriate poems, gifts were exchanged by the members of the group.

Refreshments were served to Mesdames Jeannette Robbins, J. C. Curb, J. P. Hammons, Alice Black, Levi Cole, Lester Knox, Winn Matsler, Fred Marshall, J. C. McClendon, Rae M. Walters, Olga W. Seales, Winters and Barker.

Next meeting will be January 12, with Mrs. E. E. Plank.

Philippine Girl To Arrive Saturday

Priscilla Lasmarias will arrive in Canyon Saturday to spend two weeks visiting in the home of Mr. and Mrs. J. D. Barker. Priscilla is a scholarship student at Stanford University, Palo Alto, California.

Many Canyon residents contributed to a fund which enabled the student to accept the scholarship by financing her trip from her home in the Philippines to the California University.

Rozelle Marcy Feted at Party

Rozelle Marcy was honored with a miscellaneous bridal shower which was given in the home of Mrs. Art Roberts, Saturday afternoon, between the hours of 3 and 5 o'clock. Rozelle is the bride-elect of Henry Hardaway, and the ceremony will be performed December 18 in the Canyon Methodist Church.

Greeting the guests were Mrs. Roberts, Mrs. Cecil Hardaway of Amarillo, mother of the prospective bridegroom, the honoree, and her mother, Mrs. H. A. Marcy, Jr., of Spur. Both the mothers and the honoree were presented corsages in pink and white, the bride-elect's chosen colors.

The entertaining rooms were decorated for the Christmas season, and the piano held the couple's wedding invitation, framed on a background of red, outlined in pink lace, and encircled with white angel hair and pink ornamental balls.

The refreshment table was covered with a hand crocheted cloth over pink, and centered with tinted pictures of the couple placed before a fan of pink net. In front of the pictures was placed a white Bible open at the book of Ruth. Table appointments were of silver.

The hostesses and Marie Dowlen alternated at the silver coffee and cake services.

Lanelle Marcy, sister of the honoree, presided at the guest register, and LaVelda Rose and Dianne Moore were in the gift display rooms.

Hostesses were Mesdames Carroll Cairnes, Glen Dowlen, Harry Hungate, Gene Murray and Roberts.

Sanctuary Choir Is Entertained in Home

Approximately 50 members of the Sanctuary Choir of the First Methodist Church were entertained in the home of Mr. and Mrs. Art Roberts, Sunday evening, following the church service. The Choir had presented the Christmas Section of Handel's "Messiah", at the worship hour under the direction of Gene Murray, with Mrs. Glenn Dowlen as organist.

The Roberts home was decorated for Christmas, and the table was covered with a crocheted cloth of ecru, and centered with a Christmas arrangement. Mrs. Gene Murray presided at the silver service, and Mrs. Dowlen served the cake.

"Tasting Bee" Is Given for Junior Woman's Book Club Members

Christmas event for the Junior Woman's Book Club was a "Tasting Bee" held in the home of Mrs. J. Manly Bryan on Friday. Each member had prepared her favorite dish, and later recipes were exchanged.

The buffet luncheon was served from a table centered with a Christmas arrangement. Individual favors were honeybees attached to ribbon tied lollipops.

Co-hostesses with Mrs. Bryan were Mesdames Murphy White, Doris Moore, H. R. Fulton, Jr., and Bill Reid.

Mrs. Jim Faulk attended the luncheon as a new member.

Mrs. Clarence Eugene Thompson had as her guest, her sister, Mrs. Warren Lockhart of Arlington, Virginia. Mrs. Carroll Meek introduced her husband's mother, Mrs. Donald Barger of Russellville, Arkansas, as her guest.

Each member brought a gift to be sent to the Wichita Falls State Hospital for Christmas. This is an annual project of the club.

A choral group composed of Mesdames A. W. Lair, Truitt Hull, Bruce Winn, Michael Morris, H. R. Fulton, Jr., Robert Lindsey, D. C. Gamble, Troy Martin, and Murphy White entertained with Christmas Carols.

Friends Invited To Open House

Mr. and Mrs. E. Gidden will be honored with an open house to celebrate their golden wedding anniversary, Sunday, December 17, in the home of Mr. and Mrs. Richard Gidden, 900 15th Street.

Friends and neighbors are invited to call at any time during the afternoon, and are requested not to bring gifts.

Senior Citizens To Have Party

Christmas Party for the Senior Citizens is scheduled to begin Friday evening, at 7 o'clock, in the fellowship hall of the First Methodist Church. The program will be presented by the World Friendship of Girls of that church.

Christmas carols will be sung by the group, and refreshments will be served.

All Senior Citizens of Canyon and vicinity, whether they belong to the organization, or not, are urged to attend this affair.

Mrs. Donald Barger of Russellville, Arkansas, is visiting this week in the home of Capt. and Mrs. Carroll Meek. She is the mother of Captain Meek.

Recent Bride Is Complimented With Miscellaneous Shower

Honoree for a miscellaneous bridal shower Tuesday evening was Mrs. J.R. Devin, Jr. The affair was given in the home of Mrs. Gordon Downing. Mr. and Mrs. Devin are making their home in Canyon following their marriage which was performed November 18, in Waynesboro, Pennsylvania. Mrs. Devin is the former Roberta Ann Crees of that city.

Receiving the guests were Mrs. Downing, the honoree, and Mrs. J.R. Devin, Sr., mother of the bridegroom.

Christmas decorations were used about the home, and the table was centered with a large candle encircled with colorful balls. Crystal appointments were used on the lace covered table.

Mrs. George Robinson, sister of the bridegroom, presided at the punch bowl.

Hostesses for the occasion were Mesdames Wayne McNeill, Wesley Cox, Vernon Green, Hampton Lisle, S.R. Freeman, Walter King, Jess Rhodes, Ferrell Abbott, Roy Engle, T.F. McKinney, W.E. Sheets, Bill Sternenberg and Downing.

Catholic Circles Meet for Studies

Mrs. Joe Gidden was hostess to members of the Infant of Prague Circle when they met in her home December 5, for a discussion of the Infancy Narratives of the Gospel of Saint Matthew. Members exchanged Christ candles which they had made.

St. Cecelia and St. Theresa Circles met with Mrs. Thomas Deppersmith on December 6. Mrs. Joe Frank led the discussion and demonstrated the making of the Christ candle which she presented to the hostess.

Mrs. Bill Patke entertained members of the St. Isadore Circle when they met December 6. Mrs. James Lamb was leader for the discussion.

Mrs. Don Cotton of El Paso is visiting in the home of Mr. and Mrs. A. B. Holt, and with Mr. and Mrs. George Blackwell and Mr. and Mrs. Dick Dawdy and children. Mrs. Cotton is the former Virginia Holt of this city.

Fanning Home Is Scene For Bridal Shower on Saturday

The Lon Fanning home was the scene Saturday afternoon from 2:30 until 5 o'clock for a miscellaneous bridal shower given to honor Joy Gray, bride-elect of Max W. Cain. The wedding will be solemnized in the First Baptist Church, December 23.

Receiving the guests were Mrs. Crews Henry, Mrs. Arvil B. Gray, and the honoree. They wore corsages of white carnations, accented in red, which were presented to them by the hostesses.

Christmas decorations lent a festive atmosphere to the home, and the honoree's chosen colors were emphasized in the table setting. An arrangement of white chrysanthemums and red frenched carnations, white tapers, white satin streamers and miniature wedding bells centered the table, which was covered with a white linen cloth of cutwork design. Appointments were of crystal.

Alternating at the refreshment table were Mrs. Doris Moore and Mrs. J. T. Brown.

Presiding at the guest book was Elouise Humiston of Amarillo, cousin of the honoree.

Presenting musical selections at the piano during the entertain hours were Mrs. Meade Humphries, Dorothy Higdon and Mrs. Gene Rogers.

Hostesses for the shower were Mesdames B. E. Ricketts, George Barker, T. H. Knighton, C. A. Castlemen, Mary Cheatham, Doris Moore, Henry Wiggins, E. P. Harding, J. D. Burkett, L. D. Hunnicutt, Dudley Moore, Sr., W. R. Crow, Brown, Fanning and Henry.

Friends Are Invited To Birthday Party

Timothy Martin was three years old Saturday, and a group of his friends came to his home to help him celebrate the occasion. Timothy is the younger son of Mr. and Mrs. Troy Martin.

Refreshments were served to Ellen Livesay, Leslie Davis, Melissa Swatzell, and Royce McBride.

MRS. BERNARD WARREN serves coffee to Mrs. Don Cotton at the Christmas coffee given Saturday morning in the home of Mrs. A. B. Holt. Others shown, left to right, are Mrs. Dick Dawdy, Mrs. Lowell Harrison, Mrs. Holt, and Mrs. George Blackwell.

Friends Entertained At Christmas Coffee

It really was "beginning to feel like Christmas" in the home of Mrs. A. B. Holt Saturday morning when Mrs. Holt and two of her daughters, Mrs. George Blackwell and Mrs. Dick Dawdy, entertained with a Christmas coffee. Many friends called between the hours of 9:30 and 11:30 o'clock.

Special guest was Mrs. Don Cotton of El Paso, also a daughter of Mrs. Holt, who was here for the occasion.

Mrs. Holt greeted the guests as they arrived. Mrs. Lowell Harrison and Mrs. Bernard Warren alternated in presiding at the coffee service.

The mantel was attractive with Christmas decorations, while a woodfire burned brightly in the fireplace. Adorning the corner of the living room was a large evergreen tree, resplendent with tinsel and lights.

Iridescent candles glowed at the refreshment table, which was covered with a cloth of green felt. The centerpiece was an arrangement of white carnations, holly, candles and imported golden bells.

P-T A Will Hear Music

Program for the Parent-Teacher Association meeting this month will feature Children's Christmas music. The group will meet tonight at 7:30 in the Canyon High School auditorium.

Directing the numbers will be Mrs. Glenn Dowlen, chairman, Mrs. William R. Wilson and Gene Murray.

Mrs. and Mrs. George Robinson of Stinnett were recent visitors in the home of Mr. and Mrs. J.R. Devin, Sr. Mrs. Robinson is a daughter of the Devins.

ENJOYING THE ATTRACTIVE Christmas decorations in the home of Mrs. A. B. Holt are two guests at the Saturday morning coffee. They are Mrs. R. A. Hodges and Mrs. W.R. Crow.

Ornaments for Christmas Tree May Be Made by Entire Family

The whole family enjoys making attractive ornaments for the Christmas tree and centerpieces for the home. Mrs. Mona K. Hildreth, Home Demonstration Agent, says, "The wonderful wreath helps you to say Merry Christmas."

Following are Mrs. Hildreth's instructions.

A new wreath can be made easily with four yards of red nylon net. Cut four 4-in. strips, four 3 in. strips and seven 2-in. strips. Ruffle on the sewing machine. Stitch all strips of one size together. Place on top of each other, stitch through center. Cut 2-in. circle of heavy cardboard eighteen inches wide. Cover with red flannel, attach net and add a big ribbon bow. Trim net with balls and glitter.

Attractive Christmas wreaths are easily made from macaroni. Use a circle (about the size of a plate) cut from corrugated cardboard. Draw a six inch circle in middle. Glue different shapes of macaroni to circle. Build it up one inch or two as desired. Spray with gold paint. Decorate with a glow candle and Christmas balls. If you desire to use it as a wreath, add a big bow and glitter.

Stringing popcorn can be fun for all ages. Spray it the color you like and use it as a trimming on a white table cloth with ribbon bows and ornaments.

Mrs. John Plank and Mrs. Cristler Crain enjoyed making butterflies and angels from buckram. Pipe cleaners were used for the bodies of the butterflies and glue with glitter used for a trim. The angels were sprayed with gold paint and glitter. Christmas trees cut from buckram and sprayed make an attractive center piece. Trim with felt cutouts and braid.

Mrs. Lewis Tucek made a most unusual center piece, a filigree church. The snowy white church is built of sugar frosting. This arrangement was used for the Randall County Home Demonstration Council party. The church is now on display in the agent's office.

Christmas entertaining at home can be fun if you prepare goodies ahead of time The Extension Service bulletin, B-254, "Christmas Time at Home," is available from Mrs. Hildreth's office in the Court House, or call OL5-3341 for your copy.

MRS. JOHN PLANK and Mrs. Cristler Crain are shown with two of the centerpieces for the home which they enjoyed making as a part of the Home Demonstration Workshop program.

String Ensemble Presents Carols

Mrs. Rex Reeves read excerpts from "The Other Wise Man", when members of the Sue Hite Club were entertained Monday afternoon in the home of Mrs. Crews Henry for their Christmas program and party. Mrs. Lorenzo Wirt gave the invocation.

Christmas Carols were presented by a string ensemble directed by Mrs. Royal Brantley. Members of the ensemble are Wam Moore, John and Susan Brantley, Allen Demus, Mike Mathis, Mary Ann Wheelock and Rob Barnard.

The entertaining rooms were decorated with Christmas arrangements in purple and white, and cookies, tea and coffee were served from the purple and white refreshment table.

Gifts were exchanged by members from the aluminum Christmas tree which was trimmed in ornaments of purple and white. Each member brought a gift to be sent to the patients in the State Hospital at Wichita Falls.

Attending were Mesdames Hatcher Brown, Sidney Burgess, R. C. Busteed, Clay Cooper, T. J. Crager, T. V. Crounse, O. L. Culberson, D. M. Foster, A. K. Goodman, Oscar Hinger, Robert Jarrett, Craig Johnson, Mitchell Jones, M. B. Measamer, W. E. Miller, W. A. Moore, Henry Osborne, R. F. Phillips, K. L. Pond, R. R. Rigsby, Burney Slack, Crannell Tolliver, A. L. Walsh, R. D. Wheelock, Billy Willingham, W. R. Wilson, Reeves, Wirt and Henry.

Mrs. Joe Cox received a message last week of the serious illness of her sister, Mrs. Roy Kuykendall, in Seattle, Washington. Mrs. Cox and another sister, Mrs. Homer Fisher of Waco, left Saturday to go to Seattle to be with Mrs. Kuykendall.

Auxiliary Collects Comfort Box Items

Mrs. Glenn Gardner was hostess to members of the Veterans of Foreign Wars Auxiliary in her home Monday evening, with Mrs. D. S Owens, president, directing the business session.

Members brought items for the comfort boxes which will be presented to patients at the VFW Hospital in Amarillo, December 22. Mrs. John Hardaway is chairman of the committee securing donations and contributions. Homemade cookies and candies will be added, and 110 pairs of stretch sox are needed for these men. New or used playing cards are being requested to help provide recreation for the patients.

As a Christmas project, the group outfitted a 10-year-old girl with a school wardrobe.

Auxiliary dues are being accepted and will fall delinquent after this month. Membership goal for next year is fifty.

Plans are being completed for a combined VFW Post and Auxiliary Christmas party to be held at the hall, December 16, at 7:30 p.m. The party is for members and their families and invited guests, and will include a covered dish supper and Christmas tree. Adults are to bring gifts for a gift exchange, and parents are to provide gifts for Santa Claus to present to the children.

Present were Mesdames E. C. Penick, J. D. Loudder, C.C. Stephens, William A. Pond, Tommy Hunter, John Hardaway, Johnny McBroom, Owens, Jess Bewley, Lawrence Hunnicutt and Gardner.

St. Mary's Society Meets at Umbarger

Friday, December 5, St. Mary's Altar Society met in the church basement at Umbarger. Thirty-two members and all of the officers were present. Mrs. Leonard Batenhorst presided at the business session.

It was announced that Sunday, December 17, after each Mass, those who wish to donate toward flowers for Christmas may do so. Mrs. Ray Gerber gave a reading entitled, "Baby, or Car".

A visitor was Mrs. Slim Retherford, and she also won the door prize.

Mrs. L. J. Wieck won the prize for guessing the number of pieces of candy in a jar.

Mr. and Mrs. M. J. Gerber are the parents of a daughter, who has been named Leynette Marie. God-parents are Bob Skarke and Carroll Gerber.

Hostesses were Mesdames Ted Irlbeck, Ben Koch and Max Hoffman. Hostesses for January 2, will be Mesdames Max Koch, George Liekhus and Lewis Raef.

Sharing Ideas Creates Seal

That familiar Christmas seal appearing on so many packages and letters during the holiday season owes its origin to an American physician, a Danish postal worker and a kind-hearted lady from Delaware.

The doctor, Edward Livingston Trudeau, was stricken with TB shortly after graduation from medical school, says The Encyclopedia Americana.

To help other people with the disease — both his brother and his daughter had it — and to test his own ideas, Dr. Trudeau set up the first successful tuberculosis hospital at Saranac Lake, New York.

When the National Tuberculosis Association was founded in 1904, its first president was Dr. Trudeau.

About the same time, far across the sea in Denmark, a Danish postal work, Einar Holboell, had the idea of selling penny seals to put on packages at Christmas, to remind people to help sick and needy children suffering from tuberculosis.

The King of Denmark approved the idea and the world's first Christmas seal sale took place in 1904.

Meanwhile, on the banks of the Brandywine River in Delaware, a group of doctors had built a small hospital to be used for treating tuberculosis.

When it became apparent that the project would die for lack of funds, a cousin of one of the doctors came to the rescue. Miss Emily Bissell, a Red Cross worker, had read a magazine article about the successful Christmas seal idea in Denmark.

Miss Bissell set to work and drew the design for the first American Christmas seal. Around Christmas time of 1907, the first stamps went on sale in the Wilmington, Del., post office.

Young Japanese Heed Hoteiosho

Although Santa Claus doesn't visit Japanese homes, the native god Hoteiosho, the kind old gentleman who carries a pack on his back and has eyes in the back of his head, makes a realistic substitute gifts bearer. Boys and girls are warned to be good, because the all-seeing Hoteiosho knows everything they are doing.

A baby girl was born to Mr. and Mrs. J. Robert Oglesby, Canyon, December 9.

Bride-elect Is Shower Honoree

Carolyne Glanton, bride-elect of David Brandon, was complimented when a personal shower was given in her honor Thursday evening in the home of Mrs. W.R. Crow. Date for the wedding is December 21.

Greeting the guests were Mrs. Ronald Crow, the honoree, her mother, Mrs. R.L. Glanton, and Mrs. L.F. Brandon, mother of the prospective bridegroom. Mrs. Glanton, Carolyne and Mrs. Brandon were presented corsages of red carnations by the hostesses.

The entertaining rooms were attractively decorated for Christmas, and the refreshment table was covered with a scalloped cloth of white felt, accented with seasonal motifs outlined in sequins. Centering the table was a Christmas arrangement of red and white poinsettias with holly, illuminated by two votive lights. Table appointments were of silver.

Mrs. Jack Metcalf served the cake, and Mrs. Jimmy Golden presided at the silver service. Mrs. Harley Adams was seated at the guest book, and Mrs. Bob Paris played appropriate selections at the piano.

The honoree received her gifts from the Christmas tree. Refreshments of cake, spiced tea, coffee, mints and nuts were served.

Hostesses wore single red carnation corsages for the occasion. They were Mesdames Golden, Metcalf, Adams, Paris, Ronald Crow and Miss Gwynn Neeley.

Many Attractive Christmas Gifts Are Made From Plastic Bags by High School Girls

Plastic bags have found a new use, and Mrs. K. E. Hines demonstrated several of these when she appeared Wednesday before Junior High and High School Homemaking classes.

She made French poodles, Christmas wreaths, and a beautiful cross, by cutting the plastic into strips and tying them into pompons. She then attached them to frames. Mrs. Hines also showed other crafts which could turn inexpensive materials into attractive gifts.

The demonstration had immediate action when the girls started frames the next day, with the assistance of the vocational agriculture department. To date, 3,335 plastic bags have been used, with 10 to 20 bags for each article.

This is considered to be a good craft, and many families of the girls have been included in making these Christmas gifts, which are created with very little expense, and require from 4 to 6 hours to fashion.

D. J. CRAIN, Mrs. K. E. Hines and Sharon Ruthart are proud of the display of French poodles, Christmas wreaths and the cross created from plastic bags. These make attractive and inexpensive gifts. (Photo by Ronald Davis)

Garden Club Plans Party For Tonight

Mrs. Alfred Bellah will be hostess to member of the Canyon Garden Club in her home tonight for their Christmas party and gift exchange. Co-hostess will be Mrs. Frank Morgan.

Mrs. C.C. Callarman and Mrs. D.M. Foster will present the program using as their theme, "Poinsettias".

Priscilla Club Holds Luncheon

Annual Christmas luncheon for members of the Priscilla Club was held in the home of Mrs. T. S. Stevenson, Sr., recently, with Mesdames R. A. Hodges, L. L. Jones, Jessie Parker, D. M. Foster, W. R. Crow and Dudley Moore, Sr., serving as co-hostesses.

Three tables for the guests were covered with red Christmas cloths and centered with seasonal arrangements. Santa markers designated places at each table. The turkey dinner, with all the trimmings, was served from the dining table which was decorated in keeping with the holidays.

Following the luncheon, members exchanged gifts from the Christmas tree.

Members present were Mesdames Ernest Brown, Alfred Bellah, E.R. Cleavinger, C.R. Flesher, J.M. Daugherty, S.B. Loudder, Gladys Marshall, Ray McReynolds, C.M. Presley, Hud Prichard, Cecil Simms, H.M. Stokes, E.D. Walker, and the hostesses.

Special guests were Mesdames C.M. Dowlen, Agnes Moore and Evelyn Gilmore.

Mr. and Mrs. J.W. Kleinschmidt are going to Ventura, California, where they will visit for several weeks.

Pinata Scramble

In Mexico and other Latin American countries, the breaking of the pinata is a traditional Christmas custom. Earthen jars are filled with toys and sweets, covered with colored papier-mache figures and hung in an open space.

Blindfolded children take turns at trying to break the pinata with a stick. When it is smashed, there's a merry scramble for its contents.

Towns Named In Spirit of Yule Get Mail Deluge

Among the busiest of Santa's helpers at the Yuletide season are postoffices in towns with Christmas names.

In Noel, Mo.; Christmas, Fla.; Santa Claus, Ind., Bethlehem, Ind.; and Bethlehem, Pa., many thousands of packages and cards are received around Christmas time, to be postmarked with the Yule town's name and remailed to other states and countries.

The towns also play host to many visitors during the Christmas season. In Bethlehem and Nazareth, Pa., there are permanent displays and festivals of light, emphasizing the religious meaning and beauty of Christmas.

Open House Slated By Feed Store

W.E. Hill, local feed store operator, is returning from Lancaster, Pa., this week end with his second Mobile feed grinding truck.

It will be demonstrated in front of W.E. Hill & Son Feed Store at 1709 Fifth Avenue next Monday in connection with the formal opening of the store.

Also on hand will be Don Taggert from the home office of Superior Feed Mills in Oklahoma City. He will answer questions on proper feeding methods.

John Taulman and Dick Foster will operate the new mill.

Free coffee and cookies will be served. There will be treats for children.

People have been asked to register for several door prizes to be given away. Registration is both Saturday and Monday..

HOW TO EXTEND THE SPIRIT OF CHRISTMAS

Just 10 days to Christmas. Are you ready? It seems like every one in Canyon is busier than ever this year with holiday plans.

Each year people discover new ways to express the way they feel at Christmas. It's a wonderful and exciting time when folks everywhere add new expressions of good will to the traditional Spirit of Christmas.

Yet, over the years, nothing has ever quite replaced the satisfaction of personally exchanging greetings with loved ones and friends at Christmas. This helps explain the growth of a modern-day Christmas tradition: the Long Distance phone call. Beginning on Christmas Eve, and throughout Christmas day, some 16 million people exchange greetings by Long Distance.

In making holiday calls, here's an idea that will help you extend the joy of Christmas over the entire holiday season. Place your Long Distance calls station-to-station instead of person-to-person. This way you can make almost three calls for the price of two. You save even more when you call on Sundays or after 6 p.m. on weekdays. And, if you space your calls over the whole Christmas season, you'll find that each one seems to renew your holiday spirit and pleasure.

Whenever you call, your call will go through faster when you use the AREA CODE NUMBER for the out-of-town phone you wish to reach. If you don't have the area code number, the Operator will be glad to give it to you. Jot it down for future use.

TIP FOR LAST MINUTE SHOPPERS

If you're still looking for an extra special surprise for that favorite person on your Christmas list, I suggest you call our office and ask about our Phoneland suggestions.

You'll find a host of telephone services that are sure to please. . .extension phones in color for any room in the house. Wall phones for the kitchen or den. . .table models and the handsome Princess phone for bedrooms and living areas of the home. Mother, wife or daughter will be delighted with such a thoughtful and personal surprise. So will the men.

With each order for a Christmas phone, you'll receive a miniature toy phone in an attractive box to place under the tree. Why not stop by or call our business office this week and let us help you make just the right selection?

MERRY CHRISTMAS

All of us here in Canyon at the Telephone Company want to take this opportunity to wish you and yours a Very Merry Christmas and Prosperous and Happy New Year.

Call by number. It's twice as fast.

Mrs. C.L. Hood has returned to her home in Dallas after visiting here in the home of her parents, Mr. and Mrs. E.T. Cummings, last week. Mrs. Hood is the former Elma Lynn Cummings.

Weekend visitors in the home of Mr. and Mrs. G.W. Webb were Mr. and Mrs. Ed Waldrop of Amarillo.

C. H. Cole, Fort Worth, visited in the home of his parents, Mr. and Mrs. G. C. Cole over the week end.

Mr. and Mrs. Marvin Bichsel have returned from a business trip to California. They also visited points of interest while away.

Statues Honored

In Italy the Presepio, or crib, is as characteristic of Christmas as is the tree in other countries. To the Presepio, people bring gifts of nuts and apples, which they place in the hands of life-sized figures.

Happy OES Has Visit By Officer

The Order of the Eastern Star of Happy met Tuesday evening in the Masonic Hall for the official visit of the Deputy Grand Matron, Mrs. Lois Smith from Olton, District 2- Section 3- Grand Chapter of Texas, Order of the Eastern Star. All officers were present and a number of members and guest.

Mrs. Smith was welcomed by the Worthy Matron, Mrs. Mary Neal Henry and the Worthy Patron, Edjar Robinson; and presented with a gift and lovely program from the Chapter. Her instructions from the Worthy Grand Matron of Texas were well received.

Special music and a duet was rendered by Mrs. Ruth Maynard, Mrs. LaNelle Todd and Mrs. Gussie Barrnett. The hall was decorated with pink roses and white candles. Refreshments were served from a pink net covered table centered with archway of roses accentuation "The Gateway Session", milkglass appointment completed the table setting.

Members of the fifth and sixth grade choir left to right on the first row are: Mike Johnson, Gwen Marrs, Jamie Olson, Debbie Fassauer, Karla Sue Jordan, June Johnson, Mike Maxwell, Mary Beth Cummings and Phyllis Hunnicutt. Second Row: Mary Starnes, Gayle Swatzell, Robert Steele, Jimmie Brown, Jim Wolfe, Kenneth Petitt, Kathleen Brown, Robert Goettsch, Kay Murrell and Penny Warren. Third Row: James Faulke, Linda Markham, Marilyn Lewis, Andy Sherrod, Mike Waugh, Davida Lindley, Eddie Garner, Burns Olson, Curtis Fowler, Judy Boehning, Rita Wilson and Teri Williams. Fourth Row: Cathy Gerald, Avery Thrasher, Dick Cummins, Ricky Wilson, Bob Gruner, Mary Mitchell, Fred Dukes, Pam Alberts, Paula Woolsey, Betty Burgdorf, Mary Sue Thompson, Neal Thrasher and Dennis Pearson. Absent when the picture was taken were Charlotte Roach, Nancy Green and Marilyn Hodges.

Aubrey Green (right), second vice-president of the Student National Education Association and a student at West Texas State College, Canyon, Texas, was the featured speaker at the fall convention of the Student Education Association of Nebraska on the campus of Peru State Teachers College. Mr. Green discusses convention proceedings with Larry Geisler, Creighton University, SEAN treasurer, and Rochelle Christensen, Midland College, SEAN president.

WT Groups Plan Trip

Two organizations of the Reserve Officers' Training Corps unit of West Texas State College will participate in activities of the annual Sun Carnival in El Paso Dec. 30-Jan. 1.

More than 80 members of the ROTC Band and the Sam Houston Rifles Drill Team will take part in the Sun parade and in pre-game ceremonies of the Sun Bowl football game.

WT's Sun Princess, elected by the student body earlier this year, will represent the college in other festivities of the annual celebration. She is Sydney Mills, Tulia sophomore.

Picnics Planned

Australians go in for outdoor picnics at Christmas time since it's summertime "down under" then.

Legends Tell About Hymn

Stories and legends surround most of the modern ways of celebrating Christmas — and sometimes there is more than one version of a story — such as the story of "Silent Night" and how the song came to be written.

Joseph Mohr, village priest of Hallein, Austria, wrote the words, and his organist wrote the music, probably adapted from a melody by Michael Haydn. On this point, most sources seem to be agreed.

What inspired Father Mohr to write the words is another story — or another two stories.

One version, say researchers for The Book of Knowledge, is that Father Mohr was called out into the snow on Christmas Eve of 1818, to bless a newly born baby in the home of one of his poorest parishioners.

He was so filled with the spirit of the season and the simple beauty of the mother and infant that when he returned to his study he wrote the poem, "Silent Night." Before Christmas Day was over, his organist had written the music.

Other versions have it that the church organ had broken down (impaired by mice, one story says), and the people were saddened because there would be no music for Christmas Day. Shortly before Christmas, Father Mohr write his poem and Organist Gruber the music.

At midnight mass, the people sang "Silent Night" — with a guitar accompaniment.

MRS. JEANNIE KUHLMAN

Has been selected by Anderson Appliance as

DECEMBER Housewife of the Month"

This month Anderson Appliance salutes Mrs. Herbert Kuhlman, December Housewife of the month. The Kuhlman's live in a lovely brick farm home, six miles southeast of Canyon. They have lived there the past eight years.

Jeannie Kuhlman was born and raised in Cheyenne Wyoming.

A few weeks ago the Kuhlman's started shopping for a new range. They explained to this writer that they looked at almost every major brand. They always come back to Frigidaire Flair. About six weeks ago they made up their minds. Anderson Appliance installed the beautiful "Flair" range in their kitchen. According to the Kuhlman's they have been very well pleased with their new range.

They explained, "It's so much more attractive and easier to operate than any others we've looked at. Also one of the main reasons we bought from Andy is his wonderful reputation. Many of our friends have had their appliances installed by Anderson Appliance and they have been very happy with the way they were treated! And having dependable service available locally means a lot too!"

Mrs. Kuhlman states that "I appreciate the convenience of an oven on the top, and also oven doors that raise up instead of out."

Just after taking the above photo of Mrs. Kuhlman removing the pie from the oven we were treated to a piece of it. Appreciating its delicious taste, we certainly hope she'll give Frigidaire Flair credit for just some of it- - - we believe that would sell more ranges than a page of testimonials.

The Kuhlmans are members of the Lutheran Church and are sponsors of Walther League, the church young peoples group. They have 3 children in school, Mike, age 11; Cindy, 8, and Gary, 6.

Why don't you come in and look over a new "Flair" maybe Santa will put one under your Christmas Tree- - -

New FRIGIDAIRE Flair

Most glamorous ranges ever . . .
Looks built-in yet installs in minutes!

The new FLAIR models glorify any kitchen with built-in glamour. And this compact 30" electric range makes petite kitchens the more precious. Just slide a FLAIR (cabinet and all) into the place of your present range. Incredible? It's true!

Eagles In Last Tourney at Happy

Coach Allen Simpson's quintet will have their hands full this week, meeting the Happy squad in the Tulia Tournament this morning at 11:30 and then returning to the home court to face, a tough Borger team at 8 p.m.

Going into the Happy game (not counting Tuesday's night battle with Panhandle) the Eagles had a 6-4 record, won first place in the West Texas Tournment and third place in the Plainview Tournament.

After this week of play, the CHS quintet will have only eight more non-district games to play and five of these contests will be played this month.

Tuesday night the Eagles will host AAA Hereford in a return match. In the first game, the Eagles were beaten 58-38 by the Hereford team.

The Eagles remaining non-district games follows.

WT Freshmen Win Number 2

WT's freshman basketball chalked win number two and did it very impressively, 101-60, over the Abilene Christian College quintet.

The Calves caught on fire the last half and scored 61 of their points. At the end of the first half they had a six point lead, 40-34.

Leading scorer for the WT team was Bobby Roland, who tallied 22 times, eight field goals and six free throws. Lanny McCrary and James Henry connected for 17 points, while Vernon Welch got 16.

FRESHMEN BASKETBALL players travel to Hereford Monday night at seven to play the Stanton junior high team. On the first row right to left are Jim Cabe, George Cox, Wayne Colling and Tommy Higgen. On the second row are Alex deSchweinitz, Kirby Sunderman, John Brandon and Joe Kerbel.

Whips District Opponent Tulia By Sixteen Points

The up-coming Canyon Eagles won third place in the Plainview Tournament last week end, whipping AAA Phillips 68-54 in their opener, losing to AAAA Plainview 80-48 and then devasting district opponent Tulia 81-65.

In the Tulia contest, Canyon's Eagles scored the most points in one game this year, and at the same stopped a touch Hornet team, which had beaten last year's district champion Dimmitt by 20 points the night before.

With continued improvement for the Eagles, the CHS lads stand a good chance of winning the district flag. At the beginning of the year, the Eagles threw the ball away too much, fouled unnecessarily and couldn't hit from the free throw line. With each game, the Canyon quintet improves on this bad start.

Hustle on the court is improving, plus the fact "Big" Bob Begert is controlling the backboards better. This six foot four inch junior was a little slow at the beginning and timed alot of his jumps wrong, but he is now getting rough and commanding the backboards when he wants to do so.

Canyon outplayed the Tulia Hornets for the third place trophy. Ronny Harris scored first with a jump shot, then Tulia's Max Swinburn tied the score with a jump and Paul Caraway drove in for a lay-up to give Tulia their only lead of the game.

Warren Rutherford pushed two jump shots through the baskets to give the Eagles a 6-4 vantage and the CHS quintet slowly moved to a 26-17 first quarter lead.

During the third period, Tulia kept the Eagles at bay and moved within one point at half-time. Canyon scored 16 points, three of them being 30-feet jump shots by Warren Rutherford, while the Hornets made 24 points.

The Hornets came back after the intermission and got their stingers ready to strike, but all they could manage to do was scare the Eagles when they tied the score twice about midway in the third period. The Eagles flapped away by dropping six field goals and two free throws through the nets, while holding the helpless Hornets to two field goals and two free throws. The score at the end of the third period was 61-53 for Canyon.

Then it was a matter of running away with the game, until excitement was brought into the script by Tulia's Coach Donald Nentwig. He protested the calling of the officials, they then called a technical foul. The fans booed the officials on their calls off-and-on during the last three contests.

In Canyon's second game of the tourney with Plainview, the AAAA school ran away with the contest beating the Eagles 80-46.

In the first quarter the Eagles play nip-and-tuck basketball with the Plainview Bulldogs, but six fouls in three minutes and thirty seconds proved to be fatal for the Canyon quintet. Bob Begert dropped a free throw in to tie the game 7-7 with 4:53 left in the initial quarter, but with 1:23 left, the Bulldogs commanded the game 19-9.

From then on it was clear sailing for the hometown team, who held a 47-26 halftime lead. Harry Lisle scored 18 points, six field goals and six free throws. Harris and Begert each had ten points.

In the first game of the tournament for Canyon, the Eagles easily defeated the AAA Phillips team 68-54. Begert lead his teammates to victory with 20 points, hitting seven field goals and six charity tosses. Lisle shot for 13 points, Warren Rutherford bagged 15, while twin Wayne scored ten pointes.

3 CHS Players All - District

Three Canyon football players were named to the coaches' All-District team, with Ronny Harris being named as an unanimous choice at the linebacker position.

Harris, a senior, was also listed as all-district center for the mythical team.

Jess Sheets was named as the first offensive tackle for the team and also won honors as a defensive guard. Sheets is a senior.

Junior halfback Harry Lisle was picked for both offensive and defensive teams as the third CHS player.

Fifteen players were listed as honorable mention, but Canyon failed to place a player on this list.

Harris has been honored by the Texas Sportswriters Association with an honorable mention on the All-State team as a center. Harris was a center until the Dalhart game and then changed to fullback. He displayed powerful running at this position and against Tulia and Friona. Against Tulia, Harris made 91 yards in 15 carries and was a key defensive player at lineback. In the Friona contest, Harris scored three touchdowns and one two-point PAT.

Fleet-footed Lisle poured the coals to the fire and scored three touchdowns against the Tulia eleven and made 230 yards during the contest. He also intercepted a pass on the last play of the tight-scoring game. Lisle got loose in the Friona game to score a 46-yard scamper and kicked two extra points.

Being a lineman doesn't usually get a player's name in the papers too often, as fans are interested in the ball carrier, but the linemen rough it up and allow the ball carriers to get loose. Their praise always comes when the ball carriers run for good yardage. A tackle on offense, Sheets opened up many holes for the Eagle runners to dash through. This lanky senior then switched over on defense and stopped several important plays in the Tulia and Friona battles. His rough and tough line play kept the opponents on their toes.

Eaglettes Win One, Lose Two In Tourney

The Eaglettes won a big game over the Happy Tournament favorite, the Farwell girl's basketball team, then lost two straight.

In the opening game, the Canyon lassies had to come from behind to win. They were trailing 8-5 at the end of the first quarter and 14-11 at the end of the half. But the Canyon team caught on fire and scored 12 points the third quarter, while holding Farwell to four points.

Farwell desperately tried to win by scoring 13 points the last period, but Canyon pushed 11 points through the basket. Kathy Hinger was high point scorer for the Eaglettes with 18, five field goals and eight free throws.

In the second game against Happy, the Canyon girls' team played without Kathy Hinger. She was in the senior play and Canyon was demolished 39-13. Barbara Erwin was top scorer for Canyon in this contest with six points. Happy stole the basketball many times and the Eaglettes made two field goals out of 19 attempts for a shooting percentage of 11%.

Canyon then played a nip-and-tuck game with Silverton before bowing 47-38. Hinger hit 27 points, five field goals and 17 charity tosses. In the last quarter, Silverton scored 15 points and held Canyon to ten. At the beginning of the last period, two of Canyon's top defensive players, Nancy Purcell and Cynthia Gerald fouled out. At this point the Canyon lassies were just two points behind, but the Silverton team then began to pull ahead.

Boxers Fight In Amarillo

Canyon's boxing team split matches and came home with two victories in warm-up bouts for the regional Golden Gloves matches. The matches were held at Dee's Boxing Club in Amarillo in fights against Pampa and Amarillo pugilists Friday.

In the 60-pound class Kyle Sunderman decisioned Andy Green of Pampa for his second straight win, while his brother Mack Sunderman lost in a decision to Jim Baker of Pampa in the 79-pound class.

Tommy Thompson was Canyon's other winner in the bouts. He decisioned Marvin Finney of Pampa in the 83-pound classification.

Ronny Brock lost a decision to Vernon Mangel of Pampa in the 147-pound class.

B Team Host Borger Tonight

The "B" team will face the Borger "B" quintet tonight at 6:30 here and then host the Hereford "B" team Tuesday night at 6:15.

They hold a 2-2 record, not counting Tuesday night's battle with Boy's Ranch. The Canyon "B" teamers have already defeated the Hereford team 49-42 in an earlier game.

Tally Sheet

By Marvin Ellis

Congrats to three Canyon football players who made the AA All-Regional team. Ronny Harris, a senior, was named to the first team as center; while senior Jess Sheets made honorable mention as a tackle and junior Harry Lisle got the nod as honorable mention as a halfback.

The story concerning the proposed basketball loop for the Border Conference was known by this column for the past several weeks and held up on it because Athletic Director Frank Kimbrough said nothing was for certain except some of the schools had been contacted.

Frank thought any information might hurt the chances of the Border Conference in expanding this roundball sport, so I went along until something was concrete about the suggested basketball loop.

What the basketball coaches wanted was a separate conference with members in basketball as does the Missouri Valley. Some schools play football, while others only participate in basketball. Suggested schools for this new basketball circuit were Oklahoma City and Denver University, not Regis, Trinity or Centenary as was released in an Associated Press story datelined Canyon.

At a BAM club meeting, Coach Joe Kerbel told the group 77 old members had rejoined and over 100 new members had been signed up. He said they needed 512 new members plus all the old members to help pay for the recruiting program under way at the present time. If you want to help West Texas grow athletically, join the BAM club.

Although the expenses for recruiting at WT will be high, Kerbel told the BAM members it wouldn't be a drop in the bucket compared to other schools.

With Kerbel's good record at WT after his second year as head coach, I can't help wondering if the lure of a bigger coaching job will not attract him. Texas A & M, University of Houston and Southern Methodist University are all in the market for a winning coach.

It would be a bad blow to lose Kerbel. He has just started to build a solid football machine at WT. But coaches usually don't stay in one place too long. It's known as win or move, or win and move up.

As I mentioned in last week's column, I don't like to complain about the officials. But in the last two weeks, I have seen the worst officiating ever. First it was the WT-TT football game and next it was Canyon playing Plainview in the Plainview Tournament.

Being a newcomer to these parts, it would be hard for me to be biased this early. In the Canyon fiasco with Plainview, an official by the name of Andy Gardenhire, who is also an assistant football coach at PHS, played a hometown tune on the whistle. He missed play after play.

Canyon's Bob Begert tied the score with a free throw in the first quarter, then six fouls against the Eagles in three minutes and thirty seconds stopped any thoughts of winning.

Then Canyon got the lucky rabbit's foot when they whipped Tulia 81-65. The officials, and Gardenhire was one of them, called the game one-sided in favor of the Eagles. Late in the fourth quarter, Tulia's Coach Donald Nentwig was so infuriated with the calling he loudly protested. He drew a technical foul for his words.

Then in the championship game with Plainview and Seminole, the officials wishy-washed back and forth. The first half Seminole got all the good calls, while the Bulldogs received them the last half. Gardenhire was an official in this game also.

The big mistake of the Plainview tournament was to hire hometown officials who teach in the public school system. The big shots of the tournament evidently were trying to save money, but might have lost alot of future teams.

I talked to a couple of the coaches and they all agreed Gardenhire is a good person, but a bad official. I agree with them, at least on one point--the officiating.

I hope this is -30- on officiating, that's journalism lingo for the end.

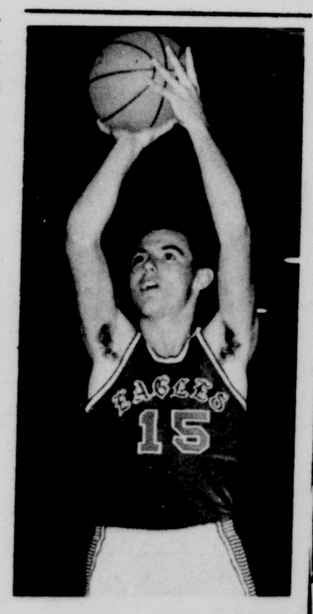

Men's League Begins Play

In the first week of play in the Canyon's Men Independent league, Crossland Insurance, Jennings Men's Wear and Taylor-Evans lead the pack with one win.

Caroll Vaughan led the Jenning's team to victory scoring 12 points of the team's 20. They whipped the Jaycess 20-13.

Crossland's quintet racked up 54 points for the most points scored in the league and easily defeated Bellah-Buffalo Barber team, which scored 18 points Dave Lipscomp got 14 points for the winners.

Taylor-Evans squad scored 31 points and held Taylor and Sons to 19 for the other win during the first week of play. Fred Begert and Asa Atchley each scored ten points for Taylor-Evans.

RICHARD GREEN, senior, is this week's selection of a Canyon basketball player to be pictured in the News.

Buffs Muff Home Game, Lose to Wildcats 74-64

West Texas muffed their first home appearance losing to Abilene Christian College 74-64 Tuesday night and threw the game away.

The Buffaloes were tense when the game started and couldn't seem to get their composure. They threw the basketball away too often and had the ball stolen many times by the Wildcats. The Buffs were all thumbs when it came to rebounding, although they were just two short of ACC. Many times it appeared WT would come off the backboards with the rebound, only to let the ball slip through their hands or have an eager Wildcat race up and steal the ball.

If WT had made only one-half of their mistakes, they could have bagged win number one. The Buffs lost four road trips on the West Coast to highly rated teams before losing to ACC.

Coach Metz LaFollette said after the game, "The boys were too tense when they went out on the court, they wanted to win this one too bad and they made too many mistakes."

George Scott was high pointman for the Buffs with 16, seven field goals and three free throws, while Sonny Blankenship got 13 and Jim Conner was close behind with 12 points.

West Texas started off hot and kept the lead about half the time of the first half. George Scott scored first with a jump shot and WT maintained the lead until 12:09 left in the initial half, when Jim Reynolds tiped-in a field goal for ACC.

Jim Conner put WT ahead with 10:10 left with a jump shot and the scoring lead jumped from WT to ACC several times before the Wildcats took command of the game with only 4:53 left on the clock for this half. When time ran out for Coach LaFollette's crew, the ACC five carried a five point lead, 44-20, for the rest period between halves.

WT fought back and was within one point during the early part of the second half, but ACC got tough and scored, while holding off the young Buffs. With seven minutes left in the game, ACC held a 63-56 lead and began a stalling offensive maneuver. This tactic was good for its intended purpose, to get WT to foul. They did foul nine times the last four minutes of the game.

ACC cashed in on nine charity tosses and missed five more chances to score via the free throw line. The Wildcats copped win number four.

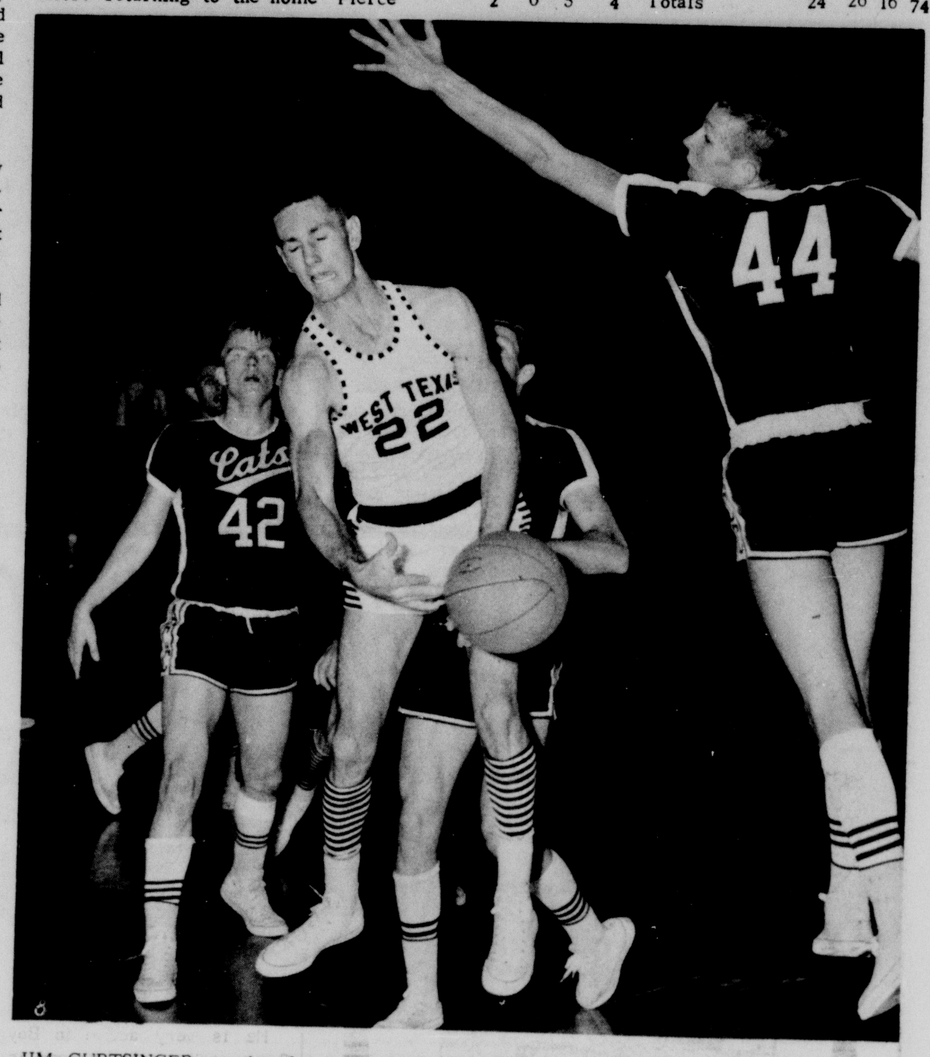

The Buffs travel to Abilene to challenege McMurry tonight, then play ACC tomorrow night, before returning to the home scene Tuesday night against a tough Southwest Missouri quintet.

The WT quintet will then hit the road and go to Wichita Falls to play Midwestern Wednesday night before taking off for the Christmas holidays.

WT Holds Workshop

Approximately 150 area high school, junior college and college teachers of business and commercial subjects are expected here at West Texas State College Saturday for the third annual Business Education Workshop.

Sessions are scheduled in the Fine Arts Building, where registration will open at 8:30 a.m. The conference is sponsored each year by the School of Business of WT.

Keynote address at the main general session at 9 a.m. will be given by Dr. Herbert Tonne, professor of business education at New York University. His address will follow introductions, and he will talk on "Effective Teaching for Effective Results."

A second address, "Professional Growth and Effective Teaching," will be made by Edward Wanous, assistant manager of the South-Western Publishing Company of Burlingame, Calif.

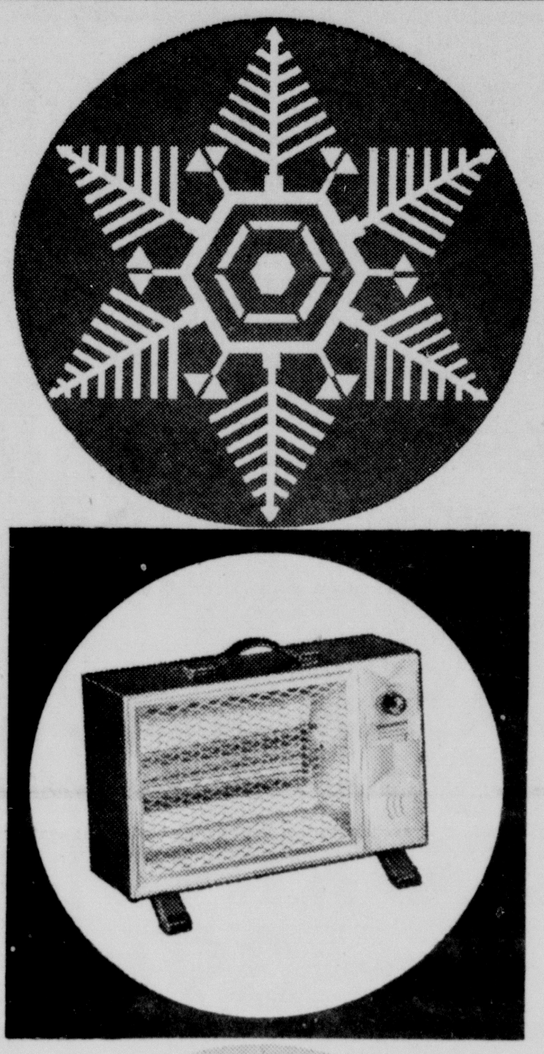

Two panels on typewritting and office practice will be held preceding luncheon, and two panels on shorthand and bookkeeping will conclude the conference after lunch. Dr. Tonne and Wanous will participate on all panels.

Speaker for the luncheon in the college cafeteria will be Melvin Munn, insurance agent in Pampa, and widely known speaker of the area. The luncheon will be at 12:15.

Panel members include Mrs. Mary Reilly of McLean and Oscar Schuette of WT, typewriting; Mrs. Wanda Thomas of Palo Duro High School and Floyd Langford of WT, office practice; Miss Velda Anderson of Palo Duro and Dr. C. C. Callarman of WT, shorthand; and Mrs. Betty Brown of Canyon and W. F. Haggard of WT, bookkeeping.

Dr. Tonne is author of three books on business subjects and has edited the yearbook of the American Business Education Association, and has been editor of the Journal of Business Education. He is a member of the Business and Economic Education Policy Commission. He has been sponsor of more than 60 doctoral candidates in business education at New York University.

Wanous taught in public schools prior to World War II, and after graduate work at the University of California at Los Angeles, he joined the South-Western Publishing Company.

Tom Evans Announces Candidacy

Tom Evans has authorized The Canyon News to announce his candidacy for the office of Justice of the Peace for Precinct 4.

He is running for nomination on the Democratic ticket subject to action in the Democratic primary.

TOM EVANS

Evans is married to the former Phyllis Hurst of Happy. The couple have six children.

He has lived in Amarillo since 1945. He came to Amarillo as a soldier stationed at Amarillo Air Force Base. A native of Indiana, he decided to make Amarillo his permanent home and has lived there since that time.

He is active in civic and social work in South Amarillo and in Randall County. He is a member of the Randall County Emergency Corps and has taught several first aid classes.

He was a member of the Amarillo Police Dept. for two years.

He is very active in Boy Scout work and has served as chairman of the Health and Safety Committee for the South Amarillo District for that organization. He is institutional representative for Local Troop 35.

He and his family are members of Trinity Methodist Church.

"I earnestly solicit your support in this campaign," Evans declared in a statement to voters of his precinct. "I think that my experience and background qualifies me for this office. If you see fit to elect me as your Justice of the Peace for Precinct 4 I will discharge the responsibilities of that office to the very best of my ability.

Canyon People Study Rescue

Several Canyon people last week took a light rescue course in South Amarillo.

It was taught for five nights by members of the Randall County Emergency Corps. Attending from Canyon were Wayland Angel, Charlie Foster, Leon Wesley and Bill Childers.

Mr. and Mrs. Joe Frank and girls were visitors in the home of Mr. and Mrs. Leo Zimmerer in Amarillo Sunday. Also guests in the Zimmerer home were Mr. and Mrs. Lawrence Jentzen and children of Vega; Mr. and Mrs. Bernard Zimmerer of Bushland, and Mr. and Mrs. Lawrence Zimmerer.

Mr. and Mrs. Edgar Telcheck of Hereford were Thursday evening guests in the home of the Arvin Tripletts.

GOT THE LIMIT. Farmer Brown, "Pee Wee" Gough and son, Don, got their limit of bobwhites near Childress this past weekend. "Pee Wee" and son, Don, are former Canyon residents and are now living in Abilene. Farmer said quail hunting isn't too good, as the birds are wild and have a heavy coverage to hide in as they did last season.

CANYON BUSINESS REVIEW and BUYER'S GUIDE

This week the Canyon News visits "Doc" and Beth Thompson at Buffalo Tailor Shop, 2321 4th Avenue in Canyon.

The Thompsons came to Canyon in 1945 and enrolled at West Texas State College.

In 1951 the Thompson's bought the modern cleaners on the square and operated it until March, 1955. The following February they purchased the Buffalo Tailor Shop and have been there ever since.

Possibly, the main reason the Thompson's have done well in this type of business is because they love this kind of work. Mrs. Thompson stated that she "loves ever facet of this business" and she believes that clothes have a personality just like people. "Their are good ones and there are some not so good!" This reporter couldn't help but be impressed by their enthusiasm after being in the Dry Cleaning Business for years. Mr. Thompson has been doing dry cleaning for a total of 22 years now.

Buffalo Tailors have a very complete line of equipment. "The very same cleaning system as a well nationally advertised process," I am told.

Each garment is checked 7 to 8 times during cleaning---for spots, buttons, zippers, pockets, pressing and etc.

One of the more technical points we learned about this business is that there are 8 different synthetic materials the cleaners must learn to recognize, so that he can correctly determine what chemicals should be used. Also, that many cleaners are not able to take proper care of suede leathers as our own Buffalo Tailors can. This firm does most all kinds of alterations, they have a tailor and a dressmaker on duty at all times.

Thompson's business comes in from all over the Panhandle. Dumas, Dalhart, Hereford, and other towns--some of it is brought to Canyon by W.T. students who have told friends and family about the quality work and low prices found here!

Buffalo Tailors offer Free Pickup and Delivery--exclusive in Canyon. In addition to Mr. and Mrs. Thompson, Mrs. Iris Gassaway and Harry Kengle round out the crew--come by to see them, come by today!

High School Calendar, December 15-21, as taken from the principal's calendar.

Friday, December 15--Tulia tournament begins. Junior Class party in Commons Area at 7:30 p.m.

Saturday, December 16--Tulia tournament.

Monday, December 18--FTA meeting in cafeteria at 7 p.m. A and B girls' basketball at Nazareth at 6:15 p.m.

Tuesday, December 19--Hereford A and B boys' basketball here at 6:15 p.m. FTA meeting in the agriculture building at 7:30 p.m. Choir sings for Rotary Club at 12:15

Wednesday, December 20-Choir and speech assembly at 10:30 a.m. School dismissed at 3:30 for Christmas Holidays.

Thursday, December 21--White Deer Boys' and girls' basketball at White Deer at 7 p.m.

Anyone have some old clothes to give during World Clothing Week?

December 10 through 15 is your chance to clean out your closet and help the needy children overseas. Since the classes are competing against each other, it is a great opportunity to have great school spirit.

Juniors, don't forget the class party Friday night in the commons area at 7:30 p.m.

"Party" dresses and suits will be appropriate.

Have the girls gone poodle crazy?

It seems most of the homemaking girls have been making poodles, after learning how from a demonstration by Mrs. K. E. Hines.

The poodles are made out of cellophane bags in a very cunning way. You can make wreaths and very attractive center pieces also.

We hope everyone had a chance to see the senior musical this year. The seniors worked so very hard to bring the play to you.

They wish to express their appreciation for the community support.

December 20 is being awaited with great expectations, for this is the date school will be dismissed for the Christmas holidays.

Dr. Boswell Is Honored

FORT WORTH - Leta N. Boswell, M.D., of Canyon, was given recognition for ten years of volunteer service with the Texas Division of the American Cancer Society Friday at the closing session of the organization's annual meeting.

More than 350 delegates, members and guests closed the two-day meeting here with election of board members and officers for the volunteer cancer control group which has active units and committees in 224 Texas counties.

COUNTY AGENT'S COLUMN

by JOHN BRAZZIL

Seedling trees for windbreak purposes should be ordered from the Texas Forest Service soon. Within the past month about 50 orders have been placed by people in Randall County. The list of seedlings this year is larger than in the past year. The cost is $1.50 per hundred postpaid. Order blanks are available at my office in the Courthouse.

***

The U.S. Treasury Department Internal Revenue Service Publication No. 225 entitled "Farmer's Tax Guide For 1962" is now available. A good supply of this publication was received by the Extension Agents and they can be had at no cost. This publication is of invaluable assistance to farmers and ranchers. It is written in simple language and is complete in every way.

Tax accountants use this information when they prepare tax returns for farmers and ranchers. Farm people who make their own tax returns or have professional people make their returns should be familiar with the tax laws. Come by and pick up a copy.

***

The weather is keeping everyone close to the fire these days. After the chores are done why not get down the farm record book and do a little income tax planning before the first of the year. If the year has been good to you why not consider paying now for some of next year's supplies.

Seeds, fertilizers, machine repairs and parts, insecticides, or maybe even new tractors or combines could be purchased now and relieve the tax situation. Then again if you could postpone sales of livestock or crops the returns could be carries over to next year.

Now is the time to do this planning: before the first of the year. Before you can do this however the old farm record book needs to be brought up to date to see where you stand.

***

New products for agricultural use appear on the market in a steady stream during these times. Many of these products have real merit; they do a real job. Others may be of questionable value. They bear some investigation.

Here are a few clues to check out: it contains a secret or unknown ingredient; it is a "new approach" to chemistry; it is so new that most scientists have not heard about it; it operates by mysterous forces, magnetism catalytic action, activation, release, enzymatic processes, and the like. This language is persuasive but meaningless to reputable scientists. Benefits are supported by testimonials but not by research trials.

Before you invest - INVESTIGATE! AFTER ALL, IT'S YOUR MONEY YOU ARE SPENDING.

Business Students In Top Department At CHS

One of the largest elective departments in Canyon High School is the business department.

Six classes are taught each day with a total enrollment of 145 pupils under the direction of Mrs. Betty Brown with the assistance of Mrs. Edith Livesay teaching one section of typing.

This spacious two-room department is considered as one of the model business departments of the Panhandle and attracts many visitors from over the area.

In the business environment of today, there is a definite need for a greater knowledge of business. Through business courses in high school, CHS graduates can obtain knowledge that will aid them not only for vocational training but also for personal use.

Many of our business students further their study of some phase of business in colleges and universities; others seek jobs upon graduation; and some are using the knowledge for personal use in their chosen life vocation.

In the three classes of Typing I, two sections of Bookkeeping I, and the one class of Shorthand I, desirable business attitudes are stressed. Students are taught the importance of being prompt with all work, as well as having a desire to have neat and correct papers. It is important students learn how to follow specific instructions. If the students learn to follow directions in the business classes, they will be able to follow instructions that they might encounter in the business world. With only juniors and seniors enrolled in business subjects at Canyon High School, they are mature enough to face the business-like attitudes so important to their training.

Shorthand is made up entirely of seniors and usually all girls. Boys are welcome to enroll for this course. Occasionally they do because there is a need for male secretaries in the business world. Typing is a prerequisite for enrolling in shorthand; therefore, the students may use the typewriters for transcription purposes both semesters. A few of the main goals accomplished by shorthand students are to develop fluency in reading and writing shorthand, to further improvement in spelling and punctuation, and to develop transcription ability at the typewriter. Many students complete Shorthand I with the ability to take dictation at speeds well over 100 words a minute and transcribe this with a high percentage of accuracy.

LEARNING TYPING is Phil Pennington who is taking a little extra-curricular help from Ocine Chism. Students learn to use regular typewriters and electric typewriters in this first year course.

***

The two classes in bookkeeping are composed of both juniors and seniors. Upon completion of this course, the students should be able to work with sinple sets of books without further training in the field. During the school year, two practice sets, complete with business forms such as invoices, statements, and checks are completed. The one underway now is for a wholesale grocery, and the other one for a partnership will be done next May. The practice sets give an overall view of bookkeeping practices, and the students get the feel of actually performing bookkeeping tasks.

Business machines are a must in our business environment, so the bookkeeping pupils are encouraged to use the adding machines, both ten-key and full keyboards, as often as possible. They use the machines for addition and are taught to be proficient with subtraction and multiplication problems.

Everyone is faced with taxes. It is important that bookkeeping students have a knowledge of our social security, income, and sales taxes. Near the beginning of the second semester of school, the Treasury Department supplies the classes with forms and sample problems to work so they may become acquainted with income tax.

The largest enrollment in the business field will be found in Typing I, consisting of junior and senior students. In this course pupils have the opportunity to use both manual and electric typewriters. The department has 34 typewriters, five of which are electrics. A rotation plan is used so each student may use an electric for a period of approximately 25 school days.

Development of speed and accuracy is important to the typing student; but on the other hand, emphasis is placed on problems such as centering, business letters complete with carbon copies and envelopes, tabulated reports, outlines, manuscripts, and other business forms.

With an ever increasing enrollment, the business department looks to the future with expansion in mind--expansion of teacher personnel, curriculum, and equipment.

Students To Present Yule Music For PTA

A combination of fifth grade music students and sixth grade choir members will present a Christmas program to the PT-A Dec. 17 at 7:30 p.m. in the high school auditorium.

The fifth grade classes have chosen to call their part of the program "It's Beginning to Look like Christmas." This will be the history of Christmas in a musical setting. The five narrators are Jay Carl Hager, Susan Hayes, Linda Pritchard, Bruce Schell and Rodger Wilson. They will narrate the program as the choir sings Christmas songs in Latin, Negro spirituals, carols and songs from the popular medium.

The devotional part of the program will be presented by Mrs. W.F. Haggard, sixth grade teacher who will tell the story, "The Mission," about a little girl from Haiti.

The Sixth Grade Choir will take you "south of the border" and present songs and customs of Latin America, including the well known "La Posados" or journey of the Holy Family trying to find an inn where they might find lodging.

The innkeepers will be Robert Steele, Jimmy Brown, Andy Sherrod, Jim Wolfe, Kenneth Petitt, Mike Waugh, Ricky Wilson, Bob Gruner and James Faulke. Mary and Joseph will be portrayed by Melody Jones and Dale Spraggins.

The guardian angel will be Dena Nicholas. Special accompanists for the various songs will be piano-Gene Murray, autoharp - Marilyn Bourland, violin - Mike Matthis, cello-Wam Moore, percussion- Andy Sherrod, Ricky Wilson and Jim Wolfe. Narrators for the sixth grade choir are Gail Long and Kathy Storhmeyer.

Gene Murray teaches the fifth grades, while Donna Wilson directs the sixth grade choir.

John Dorsey Is Injured In Fall

John Dorsey suffered fracture of the right arm in a fall at his home Monday.

He slipped and fell on the ice.

Insurance Secretaries To Seminar

Secretaries of Canyon insurance agents are attending an eight-week seminar on insurance sponsored by Insurance Women of Amarillo.

The courses are offered each Thursday evening in Amarillo.

The seminar is based on a manual published by the Federation of Insurance Women of Texas.

Attending from Canyon are Mrs. Peggy Turk of the Duane Howard Agency; Mrs. Ethel Lewis of the Crossland Agency; Mrs. Yvonne Carver from the Vaughan Agency; Mrs. Wilma Mann of the Blackwell Agency and Mrs. Dorothy Hawkins and Mrs. Jeanne Loudder of the Hosea Foster Agency.

NORTH RANDALL NEWS

By North Randall Girl Scouts

The Hollywood Baptist Chapel was the scene for the investiture for the North Randall County Girl Scouts Tuesday night, December 5th.

Twelve girls received their pins. Music was furnished by the girls which included these songs: "Oh! Beautiful Banner" and "Peace" with Marilyn Hodges at the piano.

Punch and donuts were served to an attendance of approximately forty-six guests.

The girls receiving their pins were:

Marjorie Arnold, Nancy Barger, Linda Earl, Marilyn Hodges, Cynthia Holcomb, Rhonda Johnson, Sandra Kerr, Sue Kestler, Maribeth Oglesby, Sharon Smith, Rita Wilson and Juanita Worsham.

Mrs. B.G. Bynum of 5127 Arden Road was recently in the Amarillo Osteopathic Hospital with surgery. Hope you are feeling much better by now, Mrs. Bynum!

Mrs. Jimmy Talor from Hedley was a visitor in the home of the C.W. Robinson family, lately. She is a sister of Mrs. Robinson.

Visitors in the home of the Henry Fowler's (South Western) have been Mr. and Mrs. Edward Shultz of Lubbock, sister and brother-in-law of Mrs. Fowler. They came for a visit and to provide transportation back to Lubbock for Mrs. Kittie Dunn, Mrs. Fowler's mother, who has been visiting with the Fowlers for a week.

Mrs. Chet Smith (Arden Road) has been under-the-weather with the flu. Hope she is feeling better by now.

Little Bo Fowlkes, two year old son of Mr. and Mrs. Charles Fowlkes, had a tonsillectomy last week at the Patton Clinic in Amarillo. It was a hard "row-to-hoe" for him for a couple of days but he's perkin' fine now!

The John A. Arnold family had company lately. Mrs. Wade Welch and daughter, Mary, were visiting them from Silverton. They are mother and sister of Mrs. Arnold.

Mrs. Robert Blakely and son, Robert Dean and Mrs. Jim Davis and daughter, Valerie, were visitors in the Henry Fowler home last week. They are daughters and grandchildren of Mr. and Mrs. Fowler.

Happy Birthday!

Sharon Smith--13 years old--November 23rd.

Mrs. J.W. Oglesby--December 8th.

Maribeth Oglesby -- 13 years old --December 9th.

Sandra Kerr--11 years old--December 12th.

Gayla Earle--9 years old--December 30th.

KEEPING UP WITH THE ARTS

Mary Caballero

It would be lots of fun for the little children, who are still not old enough for school, to try to make some drawings of snow scenes from a window in their home.

An ordinary pencil and a white sheet of paper could be a beginning to putting down a little sketch of the fairy land outside the window pane. Each window offers a different scene.

To go from window to window seeing a small glimpse pictured, is like seeing several different paintings. Children could spend many hours drawing these scenes that appear before their eyes. No one has to be an expert, just enjoy the fun of doing the thing.

The snow should put all of us in much more of a Christmas humor. The magazines have dozens of ideas about doing home decorations (and I don't mean the "kit" type that has every move numbered or "thought" out for you.) Some of the ones that are simple and fun for all ages to do, I will try to tell about here:

An old idea is the decorated candle. You can use any type of candle, or any color. Then obtain several packages of small sequins, bugle beads, and decorator pins (these are the very short ones) and work out designs on the candle from top to bottom. The burning of the candle causes a beautiful sparkle or you can use the candles for decoration only and save them for next year. These make nice gifts, too.

In all of the dime stores you can usually find a collection of paper fans. These fans are the folding type and come in assorted colors. They have decorations that can be touched up with glue and glitter, then tie bright ribbon on the handles, or bright Christmas balls. Four of these fans will make a beautiful wreath. To make a stiffer, more elaborate fan, spray with gold paint or paint with white rubber-base paint and design the fan with original designs. These can be kept from year to year, too.

Another easy decoration can be made from paper doilies. The round ones, folded cone shape, can be made into a delicate wreath. A large bow can be placed in the middle to cover the ends of the cones. I find sewing them together is more lasting than tape. Small doilies can be made into pompoms, with the edges touched with gold, then hung on the tree. A package of place-size mat doilies can be sprayed lightly with gold or the lacy designs can be traced with glitter. Even the plain white paper napkins can have a lovely decorated corner to add something special when serving your Christmas meal or fruit cake and coffee to guests.

Then don't forget the ready-made tumble weeds that collect on our fences. A good spraying of white artificial snow and a few little ornaments make a center piece, or special arrangement for other parts of the house.

To add more and more cheer to this very wonderful Christmas Day, tie on a bright net apron, fastened to a ribbon sash, add a few little round Christmas bells to your sash and greet everyone with an extra bright smile!

EENIE, MINNIE, MINNEY, MOE, take your Christmas pick of a wire-haired fox terrier. These six-weeks-old puppies were brought into The News by Mrs. Robert Brotherton.

Loudder To Duty At Missile Base

Army Pvt. Debs H. Loudder, son of Mr. and Mrs. Richard E. Loudder, 2108 Fourth ave., Canyon, Tex., recently was assigned to the 7th Artillery, a Nike-Hercules missile unit at Bergstrom Air Force Base, Tex.

Loudder, a sentry dog handler in the artillery's Battery A, entered the Army in April 1961 and completed basic training at Fort Hood, Tex.

The 19-year-old soldier attended Canyon High School.

SPEND WINTER

Mr. and Mrs. Frank R. Phillips left this week to go to Denton where they will visit with relatives and friends. From there they will go to Fredericksburg where they will spend the winter months.

Higdon Gives More Pointers On Mailing

"While the time to talk about 'Mail Early For Christmas' has passed," Postmaster Marion Higdon said today, "last minute mailers can help us tremendously to avoid serious pile-ups of Christmas mail if they'll get all of their Christmas cards and gift packages on their way within the next twenty-four hours."

He suggest that you use Air Mail for every Christmas card and gift package going to distant places.

Here's a few of the Postmaster's important reminders about Christmas mail. **Don't mail money in Christmas gifts or parcels. Use Postal Money Orders or checks. "Be sure to include full name and address, postal zone numbers, and your return address, written or printed clearly on every card and package. **While Christmas cards may be sent unsealed for a 3¢ rate, the 4¢, First Class sealed rate is best because it automatically assures forwarding if the addressee has moved and has left a new address, or the card is returned if it is undeliverable (providing you have put your return address on it). **Insure parcels and register letters of real value. **Parcels containing delicate gifts must be marked "Fragile", and food stuffs should be marked "Perishable" if they are subject to spoilage.

Postmaster Higdon expressed his great appreciation for the fine cooperation of the public so far, and went on to say "Now that we are coming to the end of the big rush, let's all keep up the good work so we can have every mail bag empty and every Post Office employee relaxing at home on Christmas Eve."

Thieves Hit Canyon Firms

A radio and record player recently were taken from HR's Greenhouse.

Police also are investigating the theft of a tire and wheel from the Imperial Chevrolet parking lot. The tire and wheel are valued at about $20.

Chamber Drawing Winners

Five winners have been announced in the drawing sponsored each Saturday afternoon until Christmas by the Canyon Chamber of Commerce.

Winner of the $100 first prize last Saturday was Mrs. John R. Johnson. Other winners were M. E. Read, $50; C. A. Pruett, $25; Mrs. O. O. Henry, $15, and Mrs. C. W. Bauer, $10.

The next drawing will be held at 3:30 o'clock Saturday afternoon on the east side of the court house.

Christmas Party Scheduled Sunday

The Annual Christmas program will be presented this Sunday evening at the First Christian Church. The program will consist of a musical pageant presented by the children's departments of the church, entitled: "God Loved, God Gave". Mrs. F. M. Blackburn is general chairman of the program, with Mrs. W. M. Higdon, children's superintendent, assisting. Mrs. Sam Jolly is in charge of the music, and Mary Johnson is the organist.

The program will be held in the Sanctuary of the church at 7 p.m. An offering will be received which will go to the Juliette Fowler Christian Home, a home for the aged and for the children, in Dallas.

Following the program in the Sancuary, the children and adults will go to the social hall of the church where Santa Claus is planning to visit them. He will have Christmas treats for all the children present.
